

## Ill. Power Industrial Post For Schmitt

**Named Assistant Vice-President; Mathias Service Area Manager**

Appointment of Edwin G. Schmitt, Granite City service area manager, as assistant vice-president of the Illinois Power Co. was announced at a meeting of the firm's board of directors at noon today.

Schmitt, who will remain in Granite City, will consult and work with Illinois Power managers in Southern Illinois, with particular emphasis given to industrial development and the related electric and natural gas facilities. Carl E. Mathias, assistant manager, will succeed him as service area manager.

Both appointments by the company's board of directors are effective immediately. Allen Van Wyck, president, told the Press-News.

"He will be the general officer representative in charge of all industrial development matters for the company's southern territory and also will assist Illinois Power managers in rural and municipal matters," Van Wyck said.

**New Position**  
Schmitt's promotion to the newly-created position is a culmination of the plans announced by Van Wyck at a banquet here Jan. 26, 1961, honoring Schmitt and Henry D. Karandjef as winners of the 1960 Civic Achievement Award of the Associated Retailers. Schmitt was cited for his leadership in municipal and area-wide planning.

"We think so much of 'Smitty' that we're not going to let him get away from us," Van Wyck said. "He will be in the firm's retirement come in September (1961)." Van Wyck told the banquet gathering that Schmitt's main office is in Decatur.

"We don't believe that either Illinois Power Co. or this community can afford to waste his talents, experience and energy. He has earned the right to do whatever he wants to do with his time, and we are delighted that he has decided that what he would like best is to keep on working for Illinois Power and

## For April Primary

## County Voters Urged To Check Registration Status

New residents of Madison County and those who attain 21 years of age on or before April 10 must register to vote in the April 10 primary by March 12. County Clerk Miss Eulalia Hotz announced today that deputy voter registrars will register voters and will take change of address affidavits.

Registration requirements include a year in Illinois, 90 days in Madison county and 30 days in the precinct as of the date of the primary election.

**Special Centers**  
Special centers for local voters' registration are scheduled for the Tri-City Grocery, Belleme Village shopping center, from 10 a. m. to 6 p. m. Saturday and Tuesday. A deputy registrar also will be at the West Granite first station, 2800 Cayuga street, on both days from 10 a. m. to 5:30 p. m.

Miss Lois Weeks, of 129 East Chain of Rocks road, recently appointed permanent deputy voter registrar by Miss Hotz, will register voters at her home on even days from 6 p. m. to 8 p. m. daily, Monday through Friday, from March 12.

**Other Permanent Registrars**  
Other permanent Quad-City deputy registrars are: City Clerk A. L. Stevens, Granite City; City Treasurer Morgan Nicholas, 1548 E. Main, Madison; City Clerk E. J. Morgan, 717 Jackson street, Madison; City Controller Edward J. Miller, 1001 E. Main, Madison; City Clerk E. J. Morgan, 717 Jackson street, Madison; City Controller Edward J. Miller, 1001 E. Main, Madison; City Clerk E. J. Morgan, 717 Jackson street, Madison; City Controller Edward J. Miller, 1001 E. Main, Madison.

Voters also may register at the county clerk's office in the Edwardsville court house, Monday through Friday, from 9 a. m. to 5 p. m.

If a registered voter has lost his voter's certificate of registration (pink card), a duplicate can only be issued from the county clerk's office in Edwardsville upon the voter's request. Miss Hotz urges all voters to check the address on their registration cards today.

Any registered voter who has moved may note the date and time when the voter's card is sent to the clerk and mail it directly to Miss Hotz.

## Zoning Can Prevent Creation of Nuisances

(Fifth of a series)

"What do you intend to do with the noise?" you know will not be the best interest of your neighbors?"

This is the first question to ask zoning officers, many of whom appear to be trying to keep the peace in Madison county, rather than trying to perfect its districts and regulations.

The question also has ramifications relating to members of the County Board of Supervisors' Zoning and Subdivision Control Commission.

1. Zoning authorizes all present land use and all beneficial uses of the land in the future.

2. It restricts future public nuisances.

It is carrying this to its conclusion, zoning backers question whether some of the fees in reality are wanting to retain the "freedom" to create nuisances.

**Unwilling To Learn Facts**  
This view is strengthened by the conduct of a small group, which has sought to create the fear among rural residents that their rights would be restricted. Rather than allowing hearings to be conducted on a factual basis, these fees have created dissension and disorder almost approaching violence on some occasions.

Tactics include "loaded" questions, no matter what the answer, the purpose being to create a bad light. A fact usually lost in the clamor of the fee is that the zoning is lacking in accuracy or sense.

The only way to prevent this is to zoning only bars proposed nuisances. If the topic is not a nuisance, then zoning does not restrict it. Allegations to the contrary, when fully investigated, are found to be misinterpretations and misstatements.

"Enactment of controls must be accompanied by a great deal of study and a deep feeling for the right of the individual," May comments.

In many cases, the objection to such a program tries to divert attention from the person who is being asked to pay the fee to the person who is penalized. He

## Council Sees Urgency For Treatment Plant

Urgent need for a sewage treatment plant was brought out Monday night by Granite City council members for the first time since a joint meeting was held Dec. 13 with members of the Citizens' Master Sewer & Drainage Committee.

Council members noted the "stunted growth" of the city as reflected in an appeal for a municipal sewer system.

Inspector Earl Bloomquist, who receives \$50 of building permit fees each year, said his income during January amounted to \$151, while the monthly average in the past three years has been \$626.

Several aldermen pointed to the drop in new construction since July 1 when the state Sanitary Water Board issued a clampdown on any sanitary sewer extensions in the city until definite steps are taken toward a permanent abatement. These steps would be approval of a bond ordinance and definite plans for constructing a sewage treatment plant.

While lesser home construction continues in areas where sewer extensions are not needed, there has been no large-scale home building since the state order was issued last summer, and annexations, which indicate growth of the city, have been practically nonexistent.

**Committee Report Expected**  
No action was taken toward pollution abatement during Monday night's session, but the council is expected to report in the near future from a special committee which has been meeting with the citizen group to clarify details of the recommendations made during Dec. 13 meeting.

There has been no indication as to the procedure to be followed by the city, although the council members are aware the state Sanitary Water Board will not approve any sewer extension until an order for the city to proceed, regardless.

At a meeting last fall at the offices of the East Side Levee & Sanitary District where a supplemental pollution abatement study was presented, officials of municipalities within the district, several mayors indicated they would issue an order before proceeding with any plans, stating the cost of a

## Madison To Study Water Co. Assessment

**City Officials Predict Court Fight On Value Of Local Equipment**

With its rate increase request already being opposed by many dries, the East St. Louis and Interurban Water Co. was attacked on another front — its Venice township assessed valuation — during a Madison city council meeting Tuesday night.

Noting a sharp assessment drop a year ago but restoration of the previous level in this week's newly-certified assessments, Mayor Stephen Meares obtained permission for the city's attorneys to begin grid-battle for an anticipated legal

Using figures obtained from Venice township assessment, Joseph Bergrath, the mayor said, Bergrath listed the water company's valuation for 1960 as \$645,400, including \$339,920 in the city of Madison. This was changed by the Board of Review to \$363,800 in the township, including \$191,395 in Madison.

The 1959 final assessment for the firm in Venice township was unavailable yesterday and today at the township and county levels, but Bergrath and Meares said they are certain it was approximately \$645,000 for the township and \$339,900 for the city.

**Effect On Tax Base**

"We asked Joe to put it back at the previous level again for the city," Meares said.

## City Buys Drug Dart Gun For Dog Catcher

Purchase of new-type capture equipment for the city humane officer was approved Monday night by Granite City council members who are expecting immediate delivery of a tranquilizing dart gun to subdue vicious dogs or other animals.

The gun and supplies, costing \$100, were bought from Omaha, Neb., firm Dart Syringes and are designed and supplied for various size animals and are used to subdue vicious dogs or other animals.

Aldermen pointed out the danger would put the dart away to capture dogs. They said the present means of shooting a dog with a shotgun is too dangerous and could result in injury to bystanders.

## 2 GC Aldermen Walk Out In MFT Contract

**GC Police Predict 84 February Mishaps**

Eighty-four traffic accidents have been predicted by the city limits this month by Granite City Police. Records Clerk Raymond Ridge and Patrolman William Condis said today there would be an average of three accidents a day this month.

As of last midnight, eight mishaps had been reported in the city for this month. Thus, the current accident rate is running 13 below the predictions.

A year ago, Ridge and Condis estimated 99 accidents for February and 83 were reported.

**Miss Frohardt, Well-Known GC Teacher, Dies**

Miss Anna E. Frohardt, 62, a lifetime resident of Granite City and widely-known teacher in the local school system, died at 2 p. m. yesterday at DePaul Hospital, St. Louis, where she had been a patient since Jan. 25.

She had been ill since last Oct. 25, when she was stricken after leaving school on a day for a day during next year's school week observation.

Also this week, Scott and City Scout troops have set up displays in store windows throughout the Quad-Cities, and several troops are planning outdoor plays on the city hall lawn and on the city block on Madison avenue later this week.

Prior to the start of the 8 o'clock council session, scouts and their leaders conferred with city officials, and City Atty. William Beatty, in the absence of Mayor Davis, who was out-of-town, explained city council procedures to the scouts to the meeting.

Recess in the session was called about 9 o'clock to permit the scouts to depart. Only a few remained for the entire 2½-hour session.

Miss Frohardt received her bachelor's degree from Central College, Warrenton, Mo., and a master's degree from Northwestern University.

She resided at 2223 Delmar avenue, the home in which she was born and which had been her lifetime home. A daughter, Mrs. Charles E. Betine, who has opposed the contract in previous years, asked that it be referred to committee. Partney termed the fees "excessive," and later said he believed it would be illegal for the mayor to name Johnston to the post through 30-day appointments.

Charles Meyer pointed out the city was in the process of interviewing engineers and a local motor fuel tax work fees would be an inducement for a fulltime city engineer.

Nonn withdrew his motion for passage, and presented the contract for first reading. He said he had opposed it last year, but was informed that Johnston planned to give added services to the city this year with additional engineers from his staff to work on city projects. Johnston's fees are in the \$1,000 range, Nonn told the council. "He's big enough to engineer there."

Johnston's fees would range from 11¢ on a \$500 to \$7500 MFT project down to 7¢ on \$250,000 to \$500,000. The fee on a \$45,000 project at 10¢ would be \$4,500. In Madison and Venice where a local engineer firm has the MFT contracts, the fee would be 7¢ or \$3150 which is the same as the fee for the city.

Partney motioned the contract be tabled. He was supported only by Patry, who said he believed the contract was a bad one. Betine and Arthur Wierzer. The first reading roll call was asked for.

Partney suggested the matter be turned over to the Per-

**Area's January Birthrate Lowest In Nine Years**

The Quad-City had the lowest January birth rate since 1953 last month, according to records of A. L. Stevens, city clerk of Granite City, and the greatest number of stillbirths. The birth total last month, 106, is the same as in 1953 while the four stillbirths listed are more than were recorded in January of any year back to and including 1953.

Stevens, who keeps vital statistics for the Quad-City area, which is about average for the 10-year period, said last year, the total number of January births is down by 25. There were no stillbirths in the community in January of 1961, when 38 deaths were recorded.

Both births and deaths during the initial months of this current year showed a jump over figures for last December. During that month there were 91 recorded births in the Quad-Cities, along with one stillbirth and 22 deaths.

The number of births in January was the highest for any single month since last October, when there were 121. The total number of deaths was highest since last May, when 45 were recorded.

The 10-year averages for January are 115.8 births, 18 stillbirths, and 40.6 deaths.

## Zoning Can Prevent

(Continued from Page 1)

can. In this way, paint a very dark picture.

**Protection Of Rights**  
"They cry 'Communism' or 'Dictatorship.' Of course this is untrue. Controls are not brought on or enforced by one person or a group but by the whole community. This is democracy at work in its most effective way. This gives a person the right and the means to protect himself from those who would do him harm.

"If a prospective land use is undesirable, he has a right to say so and a place to go to do something about it. If he believes it is desirable, he may help mold the restrictions to fit the particular case."

The hearings actually can assure that zoning aids a county residents, since they can pinpoint any needed changes in the zoning maps or any possible improvements in the proposed ordinance. The changes then can be made by the County Zoning Commission before forwarding the ordinance to the County Board. Many changes already have been made.

To help remaining hearings achieve their purpose, citizens and newspapers throughout the county have been distributing factual information. Thus, one charge, that the public knows too little about zoning, no longer is completely valid.

**Enabling Law By State**  
The Illinois statute which authorizes county zoning, approved June 28, 1935, requires that any zoning ordinance make "due allowance for existing conditions, the conservation of property values, the directions of building development to the best advantage of the entire county, and the uses to which property is devoted at the time of the enactment."

This is described as the intention of the zoning plan that is under consideration in Madison county.

For the Quad-Cities, the basic proposal is for manufacturing districts adjacent to the Chain of Rocks Canal harbor area and to the northwest; residential growth to the northeast; and agricultural districts elsewhere in the surrounding area.

"Due to a denser population and a more severe use of land unless we all get together and decide what is the best land use to preserve values and potential — we will lose value and sacrifice in the end the best interests of the greatest number of people," Chairman May believes.

"This need for controls is not peculiar to our own area, but exists everywhere people have begun to live closer together and to form communities. These controls are recognized as a necessity in cities; when development occurs on the boundaries of cities, it becomes more important to install such controls in the boundary area as well.

**Necessity To Plan Ahead**  
"Continuation of our standard of living depends on this for if we do not plan ahead and control the use of land around us, we will be caught without certain necessities. We would have no place to put the necessities, or the ideal place to put them would have become unsatisfactory due to commencement of a conflicting nature. This is the basic idea behind the need for a zoning program."

County zoning in Illinois has proved to accomplish the following goals: stabilize the character of residential, farm, business and industrial areas; thus increasing their value; conserve water resources and prevent lake and stream pollution; provide adequate spaces for parks and recreation areas; avoid unsightly roadside development and those that could distract or block motorists' view; anticipate and prevent future problems by protecting ideal farm land, separating incompatible uses and coordinating highway, park, residential and industrial planning; and reducing governmental costs by encouraging development where services can be provided efficiently.

**Prosperity At Stake**  
A high level of prosperity for all is promised by the vast acreage of prime plant sites on the

far western edge of Madison county. If plants are barred here by lack of zoning, it is believed they would locate in an entirely different part of the county, with no other nearby communities benefiting.

Yet this is the same area — the western fringe—where some might like to build homes, keeping as close as possible to the Mississippi River to reduce driving time.

Without zoning, a few houses are likely to block establishment of an entire new industry, and the value of some homes is likely to suffer from an unwanted development next door. With zoning, there can be both pleasant residential neighborhoods and ample job opportunities.

**Mrs. Linnie Richard, Madison, Dies At 56**

Mrs. Linnie E. (Smith) Richard, 56, of 1224 Alton avenue, Madison, died at 5:30 a. m. yesterday at the Mather Nursing Home, Alton. She had been a patient there 17 days.

Previously, she had been hospitalized for a month at St. Elizabeth Hospital for head injuries received last Dec. 14, when she was found unconscious in the 200 block of Alton avenue. Madison police investigated the incident, but were never able to secure a statement from Mrs. Richard because of her condition. No arrests were made.

An inquest will be conducted by Deputy Coroner John Sedlack.

Mrs. Richard was born in Big Rock, Tenn., and had been a Madison resident 35 years. She was a member of the First Church of the Nazarene, Granite City.

Survivors include her husband, John Richard of Summerville, Mo.; three sons, Art Lee Wilkerson, Gorn E. Wilkerson and Louis Smith, all of Madison; three brothers, Paul, Tom, and Lacy Stoneham, all of Hopkinsville, Ky.; and a sister, Mrs. Willy Boyd, also of Hopkinsville. Funeral arrangements are given in the obituary column.

## Survey Work 90% Complete For New Federal Route 151

Survey work for Federal Aid Route 151, which will skirt the Quad-Cities area to the west, is now more than 90% complete and acquisition of right-of-way is expected to begin later this year. It was learned today from the state highway department office at French Village, Mo., that the design firm of H. W. Lochner, Inc., Chicago, are frequent visitors to the area, and Neil A. MacKay of the firm's office in East St. Louis, said detailed work is now under way to determine exact widths of right-of-way requirements for the proposed dual roadway and grade separations.

The survey work is now being concentrated in the area immediately west of the Quad-Cities from a mile south of U. S. By-pass 66-40 to Broadway in Venice.

The state division of highways has allocated over \$12,000,000 for development of highways this year in the Quad-Cities area, and of this amount, \$1,979,000 is for Route 151 with \$495,000 for acquisition of 9.62 miles of right-of-way and \$1,484,000 for 3.92 miles of four-lane highway construction.

## State Sues Four To Collect Sales Taxes

Four Quad Cityans have been ordered by the Madison county Circuit court to pay a total of \$1231 in sales taxes due the state.

The judgments were returned by Judge Harold R. Clark after the State Department of Revenue filed suits to collect the unpaid sales taxes under the state's Municipal Retailer's Occupation Tax Act.

The defendants and amounts are: Peter J. Plante Jr., doing business as the Green Hall, \$886; Sims Cooley and Johnnie Harris, doing business as the Plantation Club, \$289; and John Bosserman, doing business as the Crystal Ball Room, \$154.

## California Meeting For GC Residents

Men in the armed forces have long known it to be a small world, and for two Granite City men serving in separate branches of the service, it proved just that last Thursday.

Pvt. Richard V. Rojas, who entered the Army last Nov. 3, had a short layover at San Francisco while en route from Fort Leonard Wood, Mo., to Fort Lewis, Wash. During the time he had a three-hour visit with his brother, Airman Second Class Joseph R. Rojas, who is stationed at Travis Air Force Base, Calif.

The two brothers, sons of Mr. and Mrs. Joseph R. Rojas of 1738 Olive street had not seen each other since Joseph left for the Air Force on Feb. 4 last year.

## Toastmasters Award Goes To Ray Uram

Ray Uram presented the Toastmasters Club award of the week Monday night for his talk on "Cybernation" before the regular weekly session of the organization at the Grand Cafe.

Other speakers were Marvin Dean, whose topic was "Cordoning," and Charles Young, who asked "Do American Railroads Need a Short or a Shock?"

Leo Coleman, toastmaster, also served as timer, and Sylvester Duggeroff was general evaluator. Steve Jones, Herman Mueller and Charles Withers were critics.

Table topics for the evening were presented by Ray Foret.

One guest, W. E. Ashby, was present.

## Chas. Meyer Attending Course At Hartford, Conn.

Charles A. Meyer, a partner in the Steele-Kunnenman Agency, is attending a special insurance course at Hartford, Conn.

Meyer, who lives at 2219 Delmar avenue, is a graduate of the University of Illinois. He is a member of the Twilight Optimist Club and serves as an advisor to the Granite City DeMolay Chapter.

## Boy Scout Week Displays, Church Events This Weekend

Outdoor demonstrations and displays Saturday and week-long window exhibits will be among the major activities of Boy Scout Week, Feb. 7-13, in the Quad-Cities. It was announced today by Cahokia Mound Council, Executive Eugene Coe and Unihw District Executive Dan Brown.

Displays outdoors will include Troop 11 at the Grand and 24th street parkway, Troop 18 at the city hall in Granite City and Troop 122 at the city lot near the main fire station.

Troop 15 will hike from Coolidge junior high school to the Labor Temple parking lot on Grand street, cook dinner there and then hike back to the school.

Cub Pack Three will set up a scouting exhibit at Bellefonte Hardware, Pack Six at Kahle's Fleishman's, Pack Eight at Illinois Power Co., Pack 19 at the Carps, Pack 22 at Bellefonte Top and Sporting Goods and Air Explorer Squadron Eight at Miller Insurance.

Judging Planned Members of the Daybreak Optimist club will conduct their annual judging Saturday to determine the best Scout Week displays.

"Scout Day in Government" was observed with attendance at the Granite City council meeting Monday night, and scouts and explorers are attending school in uniforms today, the 52nd anniversary of the Boy Scouts of America. The organization currently has a membership of 5,265,000 boys and leaders; since its founding, 31,830,000 boys have been associated with scouting.

Boy Scout Sunday will be observed this Sunday, Feb. 11, in Quad-City churches. Clubs, scouts and explorers will attend the church of their choice in uniform, accompanying their families. Many of the sermons will stress the importance of the family in American life. Scouts of Jewish faith will attend Sabbath services Friday evening and Saturday.

Religious Awards At some of the services, scouts

will receive religious awards of their faith for knowledge of church history and Scripture, participation in church activities and service in special projects assigned by their minister, priest, rabbi, or imam.

The emphasis on families will recognize the values of family life and the aid families give to scouting and the American way of life.

General theme of the week is "Strengthen America - character counts."

It calls attention to current needs and to the purpose of scouting as stated in the Labor Temple charter by Congress June 15, 1918 - "To promote, through organization and co-operation, other agencies, the ability of boys to do things for themselves and others; to instill in them scoutcraft, and to teach them patriotism, courage, self-reliance and kindred virtues by playing emphasis upon the scout oath or promise and law for character development, citizenship training and physical fitness."

Under scouting's new program of national purpose, over 3,800,000 boys and more than 3,400,000 volunteer leaders have adopted the theme - "I will do my best to build, to serve and to achieve."

Typical scouting families are to be recognized through programs planned by various Quad-City scout units. Parents will join their sons at pot luck dinners and open houses this month. New members will be inducted, others will be recognized for personal advancement, and tribute will be paid to the adult leadership. Mothers will be given miniature pins of the ranks earned by their sons, while fathers will be presented with universal scout badges.

Led by Gene H. Sternberg, the Cahokia Mound Council was chartered by the national council 42 years ago to administer the scouting program in the Quad-Cities, Edwardsville, Collinsville, Glen Carbon, Troy, Highland and Bond county.

The Unihw district, headed by Allen Jesse, has 1000 clubs in 29 packs, 650 scouts, 28 troops and 240 explorers in 15 units.

Dr. Stanley Maer is vice-chairman, Bernard Miller Jr. is district commissioner, Joe Kalpas activities chairman, Richard Nolan advancement chairman, Joe Lane camping chairman, Louis Reilly finance chairman, Harry Wood leadership training chairman and Robert McCord organization and extension chairman.

Special attention is being given in Unihw this week to five units with long records of continuous registration since the council was formed: Troop One, Boy Scout Mothers' club, 40 years; Troop Seven, St. Joseph Catholic Church, 20 years; Pack 12, Niedringhaus school PTA, 15 years; Pack 44, Bethel African Methodist Episcopal Church, 11 years; and Post Six, Concordia Lutheran Church, 11 years.

## Local Group To Attend Legislative Conference

A group of Tri-Hi-Y girls from the local YMCA will leave Saturday morning by train for Springfield to attend the 12th Youth and Government Pre-legislative Youth Conference and will be accompanied by Gary Stouck, YMCA teenage director, and Mrs. Mary Jane Willard.

The conference, originated in 1935 in New York, is termed outstanding in the field of educational activities for the YMCA's youth and government program. Through it the youngsters of high school age learn and experience the operation of government. Saturday's event will include legislative sessions in the afternoon and a luncheon will be held April 26-27 in the state capital.

Taking part will be Lynn Ann Hastings, a candidate for House speaker; Connie Sigite, candidate for House chaplain; Sharon Willard, candidate for secretary of the Senate; Pam Dyer, Sandy Williams, Adele Kook, Betty Burns, Linda Todd, John Sigite, Louise Becker, Elaine Genovesi, Marie Fryznicko, Janet Kramer, Cheryl Meyer, Jan Abernathy and Charlene Landis.

## Five Practical Nurse Students At Hospital

The first class of student, 10 practical nurses will be beginning practical training Monday at St. Elizabeth Hospital. The students are from F. W. Olin Vocational School, Alton, and will spend 32 weeks at the hospital where they will receive an additional four hours of classroom teaching from Mrs. Nedra Moran, nursing educational coordinator.

After completion of their training here, the students, all local residents, may take the examination for state licenses. They are: Mrs. Odessa Littlejohn, 633 Salvator street, and Mrs. Merle Borth, 905 Madison, and Mrs. Mary Lee Krause, 2925 Dale avenue, Mrs. Betty King, 2937 Denver street, and Mrs. Mary Lee Worthen, 37 Jandara street, all of Granite City.

The next entrance examinations for the course at Alton will be set for Feb. 27 and March 13 at 8:30 a.m. The school is located at 2200 College avenue, Alton, and the exam fee is one dollar. More than 500 persons are expected to attend.

## Dinner To Honor County Supt. Trimpe Tonight

Ross Shannon, St. Louis businessman and humorist, will be principal speaker at this evening's appreciation dinner to honor Madison County Supt. of Schools Wilbur R. L. Trimpe, who is a candidate for re-election. The dinner will begin at 6 o'clock in the Collinsville Park ballroom.

Also on the program will be Dr. Delyte W. Morris, president of Southern Illinois University, State Supt. of Public Instruction George T. Wilkins; Sister Mary Paul of St. Paul high school at Highland; Aldo Schnack, principal of Trinity Lutheran school in Edwardsville; Thomas W. Butler, general manager of the Alton District Manufacturers Association; Dr. J. B. Johnson, Alton school superintendent and L. K. Darling, Collinsville school superintendent.

John Stewart, director of clearance service in the office of Wilkins, will be toastmaster. More than 500 persons are expected to attend.

## Convention Plans Made By Sorority

The chief topic for discussion last night at a meeting of Iota Psi Chapter of Beta Sigma Phi sorority in the home of Mrs. Shirley Halbrook was the spring convention to be held in Granite City April 8 at which the four local chapters will serve as hostesses.

Progress report was given by Mrs. Halbrook and Miss Jane Davis. The latter reported the event to which chapters within a radius of 150 miles have been invited.

Mrs. Nancy Duckworth presided at a meeting and plans were made for a bake sale in the near future, the proceeds to go to the International Loan Fund. A contribution also will be made to the International Endowment Fund at the same time.

A "round robin" gift will be circulated among the members each week as a money making project for the chapter.

The members who took part in the polo drive reported and others will work in the Heart Fund drive.

After a closing ritual, Mrs. Halbrook served refreshments to those mentioned and to Mesdames Jackie Harshbarger, Joyce Warnoff, Carol Merz, Carol Allen, Roberta Miller, Jo Ann Kaleta, Susan Andrus, Marilyn Harris and Misses Sally Cooley and Pat Mega. Secret pal gifts were exchanged and the prize for the evening went to Miss Mega.

## Garden Study Club Tours Greenhouse

Mrs. C. E. Eads, 2623 State street, entertained the Garden Study Club Wednesday afternoon.

The group gathered for luncheon at 1 o'clock and Mrs. John Lehman presided during the business session, during which plans were made to attend the meeting of the Fifth District, Garden Clubs of Illinois, to be held in Belleville Feb. 22.

The program for the afternoon was given by the hostess who discussed house plants and their care and conducted the members on a tour of her greenhouse where there was an interesting display of cactus, orchids, ferns and other plants, all in bloom.

Mrs. William Kirchner was program chairman and the members responded to roll call with state flowers.

**PLAN MISSION PROJECT**

The Amanda Tinkle Intermediate Church's Auxiliary of Third Baptist Church met Tuesday evening at the church.

Judy White, president, was in charge and Mrs. Wilma Webb, leader, presented a program on "Mission Study."

The GA's have a community mission project which includes the making of stuffed toys for the children in the pediatric department at St. Elizabeth Hospital.

**PARTY FOR GET TOGETHER CLUB**

The Get-Together Club met Wednesday afternoon in the home of Mrs. Harold Klenke, 2222 Grand avenue.

After a luncheon, the members took part in games and awards were made to Mrs. Harry Jackson, Mrs. Walter Doherty and Mrs. Herbert Buente.

## MORE ABOUT Council Sees Urgency

(Continued from Page 1)

sewage treatment plant was an unpleasant topic, politically.

This month, three local men are to be drafted for March 28 and one Quad-Cityan is to report March 5 for pre-induction physical examination.

This month, three local men are to be drafted for March 28 and one Quad-Cityan is to report March 5 for pre-induction physical examination.

## Wyatt Attends State Jaycees Board Session

William Wyatt, 2424 Sheridan avenue, a state Jaycee vice-president was in Homewood-Flossmoor, Ill., to attend the winter meeting of the state Jaycee board of directors.

Leadership training program were discussed and analyzed.

## Interceptor Sewer Construction, Estimated at \$1,400,000

Without the interceptor sewer, construction and operation of a treatment plant by the levee district to treat the combined sanitary and storm water sewage would be \$1.87, or 75 cents a month more than the municipal system with separation and 70 cents a month more than the levee district's revised project with separation.

## Savings Would Aid Drainage

The citizen group is stressing that the savings of over \$1,700,000 in construction cost would more than offset the \$1,400,000 cost of interceptor sewers which would put the city well on the way toward solving its drainage problems. Annual operating cost also would be less.

In addition to the interceptor sewers, the citizen group is recommending construction of additional drainage facilities, to cope with drainage problems. These additional storm water relief sewers designed for future growth of the city would cost an additional \$2.28 a month for average household, putting the total figure to \$3.40 a month in all areas of the city to include the treatment plant, interceptor sewers and separate storm water relief sewers.

The overall program could be financed with a \$7,800,000 revenue bond issue. Levee district financial participation in the \$7,800,000 storm water and sanitary relief sewers has been set at \$1,800,000, with city participation to amount to \$5,000,000. The \$6,200,000 cost for interceptor sewers (\$1,400,000), the treatment plant (\$1,200,000) and trucks to haul sludge to the city dump (\$35,000), would be offset with a \$600,000 federal grant, reducing the city cost to \$2,025,000 or an actual total of \$7,525,000 for a \$9,925,000 program.

The financing would be carried out with the \$7,800,000 revenue bond issue with an annual interest rate of 4 1/2% over a period of 38 years.

The system has been defined as the minimum projects for meeting the city's needs to fulfill the order of the state Sanitary Water Board and to solve drainage problems.

sonnel committee and then walked out.

Steve Basarich called after Bartosiak that the Personnel committee has been inactive.

Rutledge asked for Bartosiak to be returned to the council room. "He's got to go to work," someone remarked.

Farney left the room. The first reading was favored by a 5-0-4 vote.

Alderman Frank Vesce then presented a letter from Mayor Davis stating that new committees were being recommended to promote harmony and efficiency on the council. Instead of 10/11's eight committees, the mayor recommended a change to 10, which is still less than the 16 named a year ago.

The new committees, with chairmen and members yet to be named, are: Finance and Ordinance, Fire, Police, Street Lighting, Sanitation, Streets, Planning, City Hall, Traffic and Inspection.

These additional storm water relief sewers designed for future growth of the city would cost an additional \$2.28 a month for average household, putting the total figure to \$3.40 a month in all areas of the city to include the treatment plant, interceptor sewers and separate storm water relief sewers.

The overall program could be financed with a \$7,800,000 revenue bond issue. Levee district financial participation in the \$7,800,000 storm water and sanitary relief sewers has been set at \$1,800,000, with city participation to amount to \$5,000,000. The \$6,200,000 cost for interceptor sewers (\$1,400,000), the treatment plant (\$1,200,000) and trucks to haul sludge to the city dump (\$35,000), would be offset with a \$600,000 federal grant, reducing the city cost to \$2,025,000 or an actual total of \$7,525,000 for a \$9,925,000 program.

The financing would be carried out with the \$7,800,000 revenue bond issue with an annual interest rate of 4 1/2% over a period of 38 years.

The system has been defined as the minimum projects for meeting the city's needs to fulfill the order of the state Sanitary Water Board and to solve drainage problems.

sonnel committee and then walked out.

Steve Basarich called after Bartosiak that the Personnel committee has been inactive.

Rutledge asked for Bartosiak to be returned to the council room. "He's got to go to work," someone remarked.

Farney left the room. The first reading was favored by a 5-0-4 vote.

Alderman Frank Vesce then presented a letter from Mayor Davis stating that new committees were being recommended to promote harmony and efficiency on the council. Instead of 10/11's eight committees, the mayor recommended a change to 10, which is still less than the 16 named a year ago.

The new committees, with chairmen and members yet to be named, are: Finance and Ordinance, Fire, Police, Street Lighting, Sanitation, Streets, Planning, City Hall, Traffic and Inspection.

## MORE ABOUT Levee Board

(Continued from Page 1)

from John Henne, a representative of the St. Clair Taxpayers Association, who said his group felt the removal of the fiscal agent should result in a 4% reduction in the total cost of the bonds. The \$18,290 represents only a 1% reduction.

## Questions Estimates

Henne questioned the accuracy of engineering estimates, and cited the Terrace lane sewer replacement project in Granite City with a contract awarded to G. H. Sternberg & Co., for \$86,830. The district's estimate of the project cost was \$120,000.

Sternberg bid \$38,217, and the price was negotiated to the lower figure by the deletion of several alternates among the bid items.

Levee board member Thomas "Skip" Hennessy told Henne: "You're forgetting the time element. We're trying to be conservative (in estimates) and still save time."

Sprague said there was no indication that the pattern followed in the Terrace lane estimates and contract award prices would hold true for the nine other projects to be covered by the bond issue.

The district also must bear various miscellaneous expenses, including the cost of printing the bonds, which would have been borne by a fiscal agent, he added.

In other action, the board approved a group insurance contract with the Pan-American Life Insurance Co. of New Or-

leans-which will offer coverage of employees and trustees at 25 cents less per \$1000. Employees over 70 years of age also are covered under the plan.

## Krause Paid

Trustees voted to pay James Krause the sum of \$1000 for his work as "chief clerk" of the board for two months last year while the control of the board was being disputed in East St. Louis city court. Krause was fired by the faction of Board President Lawrence Tolar after Tolar was ruled board president. Krause filed suit in St. Clair county circuit court for recovery of the wages. The suit has been dropped.

## SOCIETY

### Remedial Reading Maecenas Topic

Mrs. Jean Kelahan, president of the Junior Maecenas Society, presided at a monthly meeting of the society Monday evening in the home of Mrs. Helen Tonnoff, 2373 Waterman avenue.

The president read an invitation to a Junior District pot luck supper to be given by the East St. Louis Junior Women's Club March 20 in East St. Louis. Mrs. Catherine DeWitt was appointed chairman of reservations.

The annual "guest night" has been changed to March 27 at the Rose Bowl, and Mrs. Kelahan appointed Mrs. Nadine Brumleve as chairman of the invitation committee.

Mrs. Helen Hunt, remedial reading teacher in the Granite City school system, spoke on the classes she conducts on remedial reading and answered questions for the group.

Mrs. Tonnoff used white candles in milkglass holders for the table centerpiece and served a late dessert course to Mrs. DeWitt, Mrs. Brumleve, Mrs. Dolores Yates, Mrs. Rose Tonnoff, Mrs. Betty Bickhaus, Mrs. Mary Lee Lutton, Mrs. June Drexler, Mrs. Cy Corbin, Mrs. Doreen Brewer, Mrs. Doreen Maruol and Mrs. Jean Knox.

The next meeting will be held March 6 in the home of Mrs. Knox, 2968 Indiana avenue.

## Shower Honors Mrs. Morgan

Mrs. Carol Ann Morgan was guest of honor Tuesday evening at a surprise cradle shower given at Kirkpatrick Homes by her sister-in-law, Mrs. Nellie Nicol, her mother, Mrs. Sara Nicol, and her mother-in-law, Mrs. Lillie Morgan.

Present were Mesdames Vance Morgan, Sallie Bosworth, Evelyn Nelson, Lucy Bell, Kate Smith, Barbara Wood, Jean Tonnoff, daughter, Linda, Barbara Valenica, Joann Kubik, Leona Wilkinson, Kitty Voss, Norma Vail, Mary Robinson, Peggy Kellner, Sidney Murphy, Virginia Adams, Jerry Hillick, Eugene Hoffman, Jeannette Wilson, Linda Morgan, Joyce Morgan, Irene Russell, the honoree, Misses Betty Ann Russell, Sharon Hillick, Mary Margaret Nann, all of this city, and Mrs. Margaret Buch, Mrs. Virginia Smith, Mrs. Mildred Kunz, Mrs. Ruby Keller of O'Fallon.

After the gift packages were opened, there were games and a number of prizes were awarded. Refreshments were served.

## PTA HOLDS EXECUTIVE BOARD MEETING

An executive board meeting of the Emerson school PTA was held Tuesday evening at the school with Robert Roulund, president, in charge.

Valentine parties for the various rooms were planned with the room mothers to assist. Plans for a spaghetti supper will be made at the next meeting when there will be a speaker on "Communism."

Refreshments were served to seven members of the board after the meeting.

**KENTUCKY VISITOR**

Mrs. Lucille Anderson has returned to her home in Lexington, Ky., after several days visit with her mother, Mrs. Elizabeth Pippin, and brother-in-law and sister, Mrs. and Mrs. Wallace Somerlad, 19414 Delmar avenue.

## Valentine Theme For Elkettes; Party Planned

A Valentine theme prevailed Tuesday evening at the February meeting of the Elkettes, attended by 65 members and guests.

The hospitality committee consisted of Mrs. Annel Grant, Mrs. Jean Lybarger, Mrs. Gail Wittenborn and Mrs. Helen Bergfield; and entertainment was furnished by the Latin-American band of the Coolidge junior high school directed by Robert Todoroff.

Mrs. Ella Wade presided during the business session and a nominating committee was named to select new officers. The members are Mrs. Olive Kari, Mrs. Hulda Davis and Mrs. Margaret Wilmzig. Plans were also completed for the "sweetheart" dance at which the club members will entertain their husbands Saturday evening.

Three new members were enrolled. They were Mrs. Eloise Lanahan, Mrs. Ernestine Penick and Mrs. Shirley Penick. Among the guests present were Mesdames Rosemary Lomax, Jean Hawkins, Alisen Land and Betty Ridge and Rosemary Meyer.

Refreshments were served by the committee.

## 151 Attend Mother-Daughter Banquet

The annual mother-daughter banquet sponsored by the United Presbyterian Women of First United Presbyterian Church, 22nd street and Delmar avenue, took place Tuesday evening in the fellowship hall with 151 mothers and daughters present.

Rev. David B. Maxton, pastor, gave the invocation and the dinner was served by the United Presbyterian Men.

Mrs. George Holtzschler, president, served as mistress of ceremonies and dedicated the poem, "Childlike Trust," to all daughters.

Devotions were given by Miss Edith Barney and Mrs. Milton Allen offered prayer. Under the direction of Mrs. Isabel Schmidt a group from the Prather Junior high school mixed chorus sang "Crystal Night." "I Heard a Forest Praying," "Have You Ever Seen a Star" and "Like a Father," and J. H. Garner presided.

After the gift packages were opened, there were games and a number of prizes were awarded. Refreshments were served.

## Scout Troop 12 Court Of Honor

A Court of Honor was held at Niedringhaus school Monday evening by Boy Scout Troop 12 with more than 75 Scouts and their parents attending.

James Parmley, chairman, conducted the meeting which opened with the presentation of colors by the Rattlesnake Patrol. Each Scout introduced himself and his parents; and committee members were presented.

New equipment prepared by Scoutmaster Fred Hacke was displayed and there was an explanation of its future use. Chairman Parmley noted that of the patrols had earned "A" ratings and two others "B" ratings at the recent Unwath District first aid meet.

Dr. Stanley Maer entertained the group with motion pictures taken at Camp Sunken.

A feature of the program was a discussion of Indian lore by Dan Davis, who was adopted by the Ottawa tribe and holds the rank of chief. His Indian name is "Ma Shi Kan," meaning Little Turtle, and his rank permits him to sit in the council of elders.

In colorful, authentic tribal attire he took the group on an imaginary journey across the land as the Indians would have traveled years ago depicting customs, hardships and ways of obtaining food. He demonstrated the use of an Indian bow and had several of the scouts try it.

The Court of Honor was conducted by Scoutmaster Hacke and 10 merit badges, five ten-foot; five second-class; five first class; two stars and one oak leaf and ribbon were presented to boys. The closing ceremony was by the Eagle Patrol, and refreshments were served.

## Ybarras Score Knockouts In Golden Gloves

Connie and Joey Ybarras of Granite City each scored knockouts over opponents last night in the first round of a central Illinois area Golden Gloves elimination tournament at Cham-  
 A 126-pound novice, Connie Ybarras knocked Richard Pryor out in the second round, and Joey Ybarras put away his opponent, 113-pound novice Charles Burton of Danville, in the first round.

The local brother boxing combination was accompanied to the tournament by trainers and managers Jack Bogosian and Gene McGovern, and Sam Shavano. They will return to the Jaycee-sponsored event next Wednesday night to compete for championships in their divisions.

Both Ybarras boys and Bill Smith also of Granite City, are finalists in the St. Louis Golden Gloves tournament, and will box for division titles there Saturday evening. Smith did not make the trip to Chicago due to an injury to his ear.

## Ragan, Spengler Win In Classic League

Bob Miller's 31 points led the way for Ragan Lumber last night at Prather junior high school as the team defeated Friedman's 77-68 in park district Classic League action. In the other game Spengler Insurance dumped the Prairie Athletic Club, 80-57.

Ragan pulled away from Friedman's in the last quarter to post its seventh win in eight games. Dave Hysko added 17 for the winners. Don Williams and Eddie Miller paced the losers with 18 and 15.

A four-point second quarter and a seven-point fourth quarter told the story in the other game as Venice could not find the range. Don Dingworth with 20 and Don Halbrook with 20 were high for Spengler. Ed Modrusic tossed in 12 for the losers.

## Heart Fund Bowling Finals To Be Sunday

Ten local bowlers will be among finalists from 12 regional establishments in Madison county who will compete for the individual Heart Fund singles titles, both men's and women's, at 1 p.m. Sunday at the High Top Lanes in Highland.

Representing Bowland Lanes will be Charles Uhl, Norma Koesterer, Beverly Biglow, Reese Spence, C. W. Voss, Ed Mize, Wade Campbell and Bill Greger, while George Grimm and Hazel Ridenhour will compete from Big Top Bowl.

## Venice Wins First Game At Tourney

Venice grade school advanced to the semifinal round of the Wood River conference basketball tournament last night by defeating Hartford, 54-44. The winners led 25-21 at halftime and outscored Hartford 17-9 in the third period.

Venice will play Jerseyville at 6:45 tonight. Jerseyville drew a bye in the first round, Southwestern (Piasa) downed Wood River in last night's first-round game, and will play Be-thalto tonight at 8:15. Third and first-place finals will be played tomorrow night.

Roger Davis' team had good scoring balance in its victory over Hartford, as Terry Cooper rimmed 18 points, Richard Ex-  
 ington 15 and Howard Black 13.

## Farmers Rally To Top Plaza Barbers

The Farmers rallied with 31 points in the fourth quarter last night at the Lincoln Place Community center to defeat Plaza Barbers, 64-69. Harry Squires and Gary Gubert led the com-  
 back with 19 and 10 points.

Bret Bjorkman was high for the losers with 16 points as the loss dropped the barbers to a 3-5 mark for the year in the park district's Senior Teenage League.

## Coolidge Corners Cahokia Cagers

Closing each of the last three quarters with a flurry of baskets, Coolidge junior high school ninth graders topped host Cahokia last night 60-46, as Joe Hauptmann scored 19 points, Chuck Mizerski 14 and Vince Dobece 12 for the winners.

"It was a tougher game than the final score indicated," said the Braves' coach, John Toncuff. Coolidge led 29-20 at halftime and 43-33 after three quarters, although Cahokia pulled to within six points several times in the last half. The hosts stayed in

**TAXES, PRICES PUT SQUEEZE ON PENSIONS; TRACES LABOR GAINS**  
To the Editor:  
I am a 62-year resident. I have watched this town grow up and what the conditions were at plants—16 hours a day at 10 to 15 cents an hour, and if you made any complaint you had no job. When the workers tried to organize, they had fear of losing their job.

We kept on fighting until we won. We gained decent wages, hours, insurance, social security and company pensions. Now people who have been fortunate to reach that age have property and would like to live peacefully on their pension.

We all have to pay taxes on our homes; there is no exemption and they keep pouring it on us. A man and wife drawing \$140 social security and \$50 from the manufacturer—this is home expenses and taxes, what has he got left? If he dies, his wife receives half the social security and the pension stop.

The mayor says something about the city going into the red. Would we keep doing something by adding additions to Granite City? They are bringing up a \$100,000 bond issue to pay for it. Something similar was brought up to Gov. Kerner; he turned it down.

The lowest check householder had to pay was close to \$5 a month. Don't feel sorry, you are always two sides to a story. You are not supposed to have everything.

**GOP COULD WIN WITH NEW CANDIDATES AND LEADERS, MORE EFFORT**  
To the Editor:

Why do we not have candidate opposition? The Republican party throughout Madison County, St. Clair counties elects and supports improper leadership. Battles are not won with leaders of experience and ability.

We support the present candidates, from the precinct level up to the top offices of the federal government. A federal law of succession should be passed to limit the time on serving in public office. This would break the present political dynasty and machine control, as we have in our county.

The attitude of our county clerk is an example. He is the boss, and demands a free ride. She fears opposition. Well, she no doubt have opposition as a Republican candidate well-known as a speaker and vote-getter, with ability to lead a public opinion ballot in a primary.

Nothing within the laws of God and human nature is impossible, if properly directed. Political lightning recently struck in Detroit and New Orleans. It has struck in the past in Madison County. With untiring effort and hoisted leadership, we might direct a new hit on our county caste.

Most of our present officeholders, city, county and state, have long past expended their power of education and ability. Let us rid ourselves of this me-too non-progressive type. Their faces have become almost as prominent as Washington and Lincoln.

Voters, register and vote. We will furnish the write-in candidates. Don't be ashamed of your party affiliation. Call for a Republican ballot in an extra primary.

**SCHOOL CLOSING WAS NECESSARY, STUDENTS' ACHIEVEMENTS CITED**  
To the Editor:

In reference to our "fair weather" school system, they are unaware of the statement by Dr. Kaiser that at no time in the schools close due to weather. The bus service at times may not be available, but the decision to close should be left to our educators. When conditions are so bad that teachers cannot get to school, then the time has come to close.

At the time school administration meant keeping buildings and personnel safe. The parents of children are capable of taking over. The trustee is obligated to operate the farm and to pay the income to Tom's wife and children, the "beneficiaries" of the trust.

This arrangement continues until the trust is terminated in accordance with the will, and the children take title to the farm and hold it free and clear.

**Duties of the Trustee**  
The trustee can be an individual or a corporation. In Illinois title passes to a person, called the "trustee," whom Tom has designated to manage the farm. The children are capable of taking over. The trustee is obligated to operate the farm and to pay the income to Tom's wife and children, the "beneficiaries" of the trust.

## Menace Of Basement Drains Need Not Be Permanent

We do not know all the answers, but two quick remedies come to mind for the writer of an anonymous letter posted Feb. 12. He can have his views published in full in the Forum column by disclosing his identity; this is necessary whether or not the name is published. And he can attack the drainage woes by joining in the effort of the Granite City drainage improvement program.

As stated by the writer, "For years the sewer has been a menace" due to the prospect of back-up at basement drains and more. Happily, the menace can be ended forever by the master drainage project currently under consideration.

Successful Season Already For Madison Basketball Team

Madison high school's unbeaten basketball players have other worlds to conquer this season, but a pinnacle of sorts was reached with the conquest of Collinsville in a perennially strong team which won the last state title with an undefeated season.

The triumph was satisfying because the Kahoks rate near the top in both the area and state basketball this year. But even more the Trojans' minds was the memory of four 1960-61 defeats by Collinsville during a highly-successful five-loss season for Madison.

A year ago, Collinsville eliminated Madison in regional play that proved to be much more formidable than that encountered farther up the tournament trail. If the small but skillful Trojans can duplicate their 58-51 performance in a few weeks, they can say that the chain of victories will not take them as far?

County One Of First To Establish Law Library

Quick to see the advantages of a law library for the county courthouse, Madison county is one of the first to respond to a 1961 state law allowing a \$1 fee on filing of civil suits. Availability of the library can lead to more widespread knowledge and more accurate interpretation of the law.

The Granite City court previously set up a law library under arrangements with the Madison County Bar Association. Fees are \$3 for filings and \$2 for pleadings and arraignments.

Sponsored by State Rep. Ralph T. Smith of this district, the 1961 legislation provides for county courthouses to have law libraries. The libraries are to be freely available to attorneys, judges, justices, magistrates, county officials and the general public.

The fee plan, which avoids taxation, is intended to establish the libraries and then to keep them up-to-date—necessary due to periodic changes in the law.

A painless way of paying income taxes is claimed for the new 1040-A form, which comes in handy for the taxpayer. Eligibility to use it is based on income under \$10,000 reported on Form W-2, with not over \$200 in other wages, interest or dividends. Speed and simplicity are among its features.

What would be the use of knowing it, if it becomes any more painless, will it get involved in the socialized medicine dispute?

Because voting is a duty as well as a right, and advance registration is required, Quad-Cityans need to mark Monday, March 12, on their calendars. If not currently registered, they must apply for a voter card by then in order to cast a ballot in the important April primary election.

## On City Streets, Too! 'Tailgating,' Hazard Of Highways Causes Crashes

"Tailgating," or following too closely, accounted for more than 300 accidents in the last year, according to a survey conducted by the Illinois Department of Public Safety.

As the Granite City police department's annual report for the National Safety Council attested to this staggering figure, the department is urging motorists to follow too closely and that is falling to yield right-of-way.

Madison Avenue Leader

Granite City Police Chief Raymond Ridge stated however, that the city director of Patrolman William Condit Jr. in 1961 revealed that most of the Madison avenue accidents result from rear-end collisions.

Other than the direct threat of a collision, the danger on the highway frightens a motorist more than to be followed too closely by another vehicle according to Ridge. With the increased hazards of winter driving, it is doubly important for motorists to recognize the danger and adjust their driving accordingly, Ridge said.

It is the individual motorist's responsibility to keep his distance to protect himself and others, he said. Ridge pointed out that experts advise you to pull over to the right and signal the driver to pass if someone is riding your bumper.

Death On Your Bumper

According to the Illinois Insurance Information Service, when you follow too closely on the highway, you are in danger of a rear-end collision.

## Former Dice Men In Prevue Called At Writum Trial

The government's tax evasion trial of Frank "Butter" Workman, in which dice table workers including a Granite City man, were called to the stand, ended in the U.S. District Court at East St. Louis, it was reported today from the U.S. Attorney's office. The defense has yet to present its side.

Among the crap table workers testifying Tuesday was Ben H. Frizzell of Granite City, who was formerly worked as a door man, supervising dice tables, in the gambling wing of Club Prevue on Collinsville road in St. Louis.

Frizzell testified he held a two percent interest in the Club Prevue but was not required to make an initial investment. During the 73-day operation of the club, he was paid \$25 a day, but put his loss at \$1442. It was estimated the club lost from \$100,000 to \$200,000. In 1955, the earnings paid \$128,125 in rent to Club Prevue and \$128,125 in rent to Club Prevue. Club Prevue spent \$86,170 for entertainment.

### DEMOCRATIC CLUB ELECTS MRS. BIALCZAK

Mrs. Ann Bialczak was elected president of the Madison Ladies Democratic club Monday evening at a monthly meeting of the club.

Other officers elected were Mrs. Violet Bader, vice-president; Mrs. Juanita Brown, secretary; Mrs. Mary Brilick, treasurer; Mrs. Hazel Swigert, chairman; Mrs. Josephine Knezevich, marshal; and Mrs. Hazel Hinson, Mrs. Ida Dant and Mrs. Maxine Costoff, trustees.

The president, Mrs. Maxine Costoff, presided over the meeting, which was opened with the Lord's prayer in unison.

Mildred Boyd and Mrs. Zula Johns were welcomed into the club.

The newly-elected officers will be installed during the next meeting March 5 at the Sportsman's club. Mrs. Betty Rodgers has been chosen to be the installing officer.

The hostesses, Mrs. Mary Brilick and Mrs. Ida Dant, served a luncheon to Mrs. Sophie Derr, Mrs. Louise Lewis, Mrs. Rodgers, Mrs. Hazel Hinson, Mrs. Brown, Mrs. Elizabeth Bergrath, Mrs. Josephine Knezevich, Mrs. Bader, Mrs. Elizabeth Wisniewski and Mrs. Florence Spahr.

### MRS. FRIZZELL HOSTESS

The Beta Gamma Club met Tuesday evening for a monthly meeting in the home of Mrs. Jackie Frizzell, 1615 Second street. Mrs. Wilma Pulaski presided over the long business meeting, during which the club accepted sponsorship of Girl Scout Troop 170 of Madison.

A new American flag will be presented to the troop in the future by the club. Plans were discussed for an anniversary banquet to be held in the near future.

A white elephant auction was held, with each member bringing one or more articles to be auctioned. Mrs. Shirley Kattenbraker was auctioneer for the evening.

Mrs. Lois Hoffman invited the members to her home, 1620 Clark avenue, for the meeting March 6.

A social time followed, with games being played. Prizes were awarded to Mrs. Ruth Weeks, Mrs. Kathryn Jones, Mrs. Pulaski and Mrs. Kattenbraker. Others taking part were Mrs. Edna Hensley, Colleen Evanoff, Mrs. Betty Tester and Mrs. Hoffman.

Deborah Holt, daughter of Mr. and Mrs. Eugene Holt, 1025 Alton avenue, a student in the third grade at Harris school, is a patient at St. Elizabeth Hospital. She entered the hospital Tuesday evening and will be there for a few days.

### BAND PARENTS CLUB PLANS SUPPER

Talmadge Fisk, president of the Madison Grade School Band Parents club, presided over a monthly business meeting Monday evening. Plans were completed for a chili supper which is to be held Feb. 22 at the Madison recreation center. Tickets are to be sold by the boys and girls of the band.

A clock for the music room of Madison junior high school has been donated by a member of the club to William Ledbetter, director, for the band. The club is to purchase a duplicating machine for use in the school work.

The district band contest is to be held at Madison high school during March, with further information to be announced at a later date.

It was announced during the meeting that Mrs. Raymond Steward, a member of the club, is hospitalized. Refreshments were served to those present.

The next meeting is to be held March 5 at the junior high.

St. Mary's Cub Scout Den Two met at the home of the den mother, Mrs. Julia Dant, Tuesday afternoon being opened with the pledge of allegiance to the flag and prayer in unison. A discussion was held on the theme of the month, "Presidents of the United States." Boy Scout Week, Feb. 7-13 was discussed.

Kevin Morton, den chief, assisted the den mother with the project for St. Valentine's Day. They will present gifts to their mothers.

The meeting was closed with the Lord's prayer. Mrs. Dant served refreshments with Mrs. Helen Ann Garrahan had sent for the boys. Present were Richard Kierski, Raymond Miller, Robert Baldwin, Raymond Baldwin, Kenneth Bond, Edward Bonk, Kevin McIlroy, Kevin McGarran and Francis Dant. Joe and Jimmy Dant were guests for the afternoon.

### PEPPY CLASS MEETS AT HINSON HOME

Mrs. Hazel Hinson and daughter, Miss Dorothy Hinson, were hostesses to the Peppy class of the First Presbyterian Church in their home, 1530 Third street, Tuesday evening. Mrs. Elizabeth Bucher, president, opened the meeting with the Lord's prayer.

The group discussed a project of selling greeting cards. Games were played during a social period, with prizes being awarded to Mrs. Bucher, Mrs. Gladys Zentgraf and Misses Luella Cold and Opal McFarland.

Others taking part were Mrs. Betty Meyer, Mrs. Clara Lux and the Hinsons.

The hostesses served refreshments prior to the adjournment. The next meeting will be held March 6th.

Richard Scott opened a weekly meeting of Den Three of St. Mary's Tuesday afternoon in the home of Mrs. Anthony Ratkiewicz. The theme of the month was "Presidents," the den chief, Don Honerkamp, discussed the president's oath of office with the boys.

National Boy Scout Sunday will be observed at the 7:30 Mass at St. Mary's Catholic

### Woodrome Olds Agency Opens At New Location

One month after a disastrous Sunday afternoon fire gutted the building occupied by Woodrome Oldsmobile, Inc., at 2261 Madison avenue, the firm has reopened in quarters located at 1905 Madison avenue.

William Woodrome, owner of the auto sales and service firm, said business would have resumed even earlier had workmen been able to repair a furnace at the agency's new location. An overheated furnace is believed to have caused the Jan. 7 fire, which did an estimated \$200,000 damage to the building and its contents, which included 29 new and used automobiles.

Woodrome now occupies, under a long term lease, a building which formerly housed the Swenson-Maruste Buick Agency. The building has been vacant for over a year.

The firm's head said the same personnel are employed at the new location, which includes a half-acre parking area at the corner of Madison avenue and 19th street and a larger indoor service and sales area.

### Fifth Session Of Course On Communism Monday

The fifth session in the Tricities Chamber of Commerce pilot course on "Freedom vs. Communism: The Economics of Survival," will be held at 7:30 a.m. Monday at the YMCA, with Glen Keithley as discussion leader.

Harold F. Karandjeff, chairman of the C. C. Good Citizenship committee, which is sponsoring the study, said major topic will be the role of government. Keithley will lead in the absence of John McBride, who is in California.

Church Sunday for all Catholic scouts. Games were played, and the den yell was given by Steve Patterson. Refreshments were served by the den mother to Thomas Friend, Charles Pogalas, Ronald Warchol, Daniel Siech, Richard Scott and Steve Patterson. The leader announced that the "blue and gold" banquet will be held March 4 in the school cafeteria.

### YOUNG ADULTS MEET

The Young Adult Missionary Society of the First Methodist Church met Monday afternoon in the home of Mrs. Thelma Black, 2110 10th avenue. A one o'clock luncheon was served by the hostess upon arrival of the members.

A worship service was held at the home, with Mrs. Virginia Vandermark, Mrs. Emma Graves, Mrs. Betty Ballentine, Mrs. Doris Paterson and Mrs. Avis Richardson taking part. Mrs. Richardson presented the lesson for the month, "Ambassadors For Christ." The group discussed the topic.

A revival to be held at the church in the future was discussed. Plans were made for visitation prior to the revival services. Religious hymns on records were played during the afternoon. The next meeting will be held March 5.

### CRADLE SHOWER

Mrs. Bertie Dorsch was complimented with a cradle shower Sunday afternoon, given by her mother, Mrs. Clatie Mitchell, in the Mitchell home, 5204 N. 10th road. Mrs. Bertie Sue Milton assisted.

A large pink and blue cloth centered the table, and pink and blue streamers were suspended over the table. A pink and white bannister held the gifts.

Games were played with prizes going to Mesdames Evelyn Wilson, Mildred Brooks, Helen Dorch, Leslie Dorch, Diana Fowler, Lillian Fowler, Thelma Boyd and Mesdames Milton and Miss JoAnn Unger.

Others present were Mesdames Brenda Connor, Barbara Harris, Nancy Wallace, Virginia Kessler, Louise Mitchell, Irma Bedie, Maxine Unger, Ruth Squires, Roxie Doy, Ruby Black, Lucille Spicer, Cheryl Humphreys, Beadie Boyd and Misses Judy Doy, Joy Milam, Debbie Curtis, Beverly Dorch and Hilma Hoffman.

Refreshments were served by the hostesses, and pictures of the occasion were taken by Mrs. Connor. The honoree received many gifts.

Den Two of Cub Pack 23 met Tuesday evening with Mrs. Frances Harper. The boys said the pledge of allegiance, made plans for a playlet for the pack meeting, worked on place mats, and place cards for the "blue and gold" banquet, played a game and closed with "living circle." Refreshments were served to John Harper, Danny Dauger, Jeffery Morris and Jimmy Hicks.

### PLAN VALENTINE PARTY

Brownie Troop 221 met Tuesday evening with Mrs. Ethel Gentile. The girls decorated valentine boxes, played a game and made plans for a valentine party for next week.

Refreshments were served to Jean Funkhouser, Mrs. Ernest Pamela Bringer, Sharon Hughes, Brenda Mistor, Sandy Deatherage, Elaine Roush, Judith Baker, Darla Sherd, Debbie Grace, Sally Gentile, Mimi Midyett, Kay Nemmering and Debbie Green.

Den Four of Cub Pack 23 met Monday evening with Mrs. Edna Barron. The boys said the pledge, sang "Hi, Cub Scouts," checked on presidents for a playlet at the pack meeting, made valentines, checked advancements and sang. Present were Bill Barron, Scottie Rushing, Mike Norton, Chester Dean, David Dayton and Danny James.

Brownie Troop 273 met Tuesday evening with Mrs. Beulah Krause, assisted by Mrs. Mabel Kennerly. The girls said the pledge, sang, and worked on valentines for their mothers.

Refreshments were served to Rita Krause, Rhonda Hacker, Debbie Bridges, Carolyn Fisk, Sandra Sharp, Charlotte Pitts, Charlene Kennerly, Sharon Cook, Debbie Nagel and a guest, Eddie Kennerly.

### SCOUT AWARDS GIVEN

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall with Scoutmaster William H. Hicks. The parents of the boys attended, and final plans were made for a fish fry to be held tomorrow from 5 to 9 p.m. Registration cards were distributed to the boys, and they were presented a camping award. Hicks received an award as the scoutmaster recruiting the most boys.

Present were Mike Abernathy, George Wilkerson, Dennis Boyer, Charles Polley, William Hicks Jr., Alan Getteman, Dale Werner, Bill Ashby, Glenn Ashoff, Mike Krause, Ronnie Briggs, John Jones, Floyd Ridgeway Jr., Bobby Packer, Ronnie Wilson, Walter Marsh, Eddie Glenn, Keith Rutter, Danny James and Phillip Martin.

### 44 Flags Distributed To Local Parochial Schools

## Hearing Set On Alleged Pollution By Levee District

Continued delays in pollution abatement plans within the boundaries of the East Side Levee & Sanitary District have resulted in the calling of an Illinois Sanitary Water Board hearing on Monday, Feb. 26.

Expected to attend the hearing are levee board President Lawrence Tolar, three board attorneys, and possibly F. A. Wisley of the consulting engineering firm of Hornead & Shifft, which made an 18-month study of prospective construction of treatment plants which would abate alleged pollution of the Mississippi river by communities within the levee district.

To Meet With Mayors  
Tolar said he hopes to arrange a meeting with Mayors Alvin G. Pries of East St. Louis and Leonard Davis of Granite City before the hearing to see if we can't work something out that will be of benefit to these smaller communities.

He referred to several villages who have agreed to come into the levee district's plan for a district-wide abatement program. Granite City and East St. Louis, the two largest communities in the district, have withstood the brunt of the untreated sewage and other wastes into the Mississippi River.

The levee district will be asked to show cause why it should not be restrained from the alleged discharge of untreated domestic sewage and other wastes into the Mississippi River.

The hearing will be held at 1 p.m. in Room 503 of the state office building in Springfield, according to Clarence W. Klassen, technical secretary of the board and chief sanitary engineer in the Illinois Department of Public Health.

The levee district will be asked to show cause why it should not be restrained from the alleged discharge of untreated domestic sewage and other wastes into the Mississippi River.

The levee district has completed surveys designed for a district-wide pollution abatement system, and at a meeting last fall, attended by a representative of the state SWB, set a

Dec. 1, 1961, deadline for municipalities within the district to indicate if they would participate. The deadline was abandoned as Granite City and East St. Louis indicated they were undertaking separate studies for treatment plants.

### Schedule Not Met

Klassen said the district has not met a schedule for elimination of sewage discharge into the river adopted on July 17, 1956, by Illinois and Missouri agreements. The schedule was: Engineering studies were to start by Nov. 1, 1956, and reports submitted by July 1, 1957, with financing to be arranged and construction plans submitted by Jan. 1, 1958. Construction was to have been started by July 1,

1958, and the plants in operation by Dec. 31, 1961.

The district, Klassen added, was notified of the schedule on July 27, 1956, with a second notice on Feb. 4, 1958, which also announced a conference March 4, 1958, called by the U. S. Surgeon General. The purpose was to determine the adequacy of measures taken toward pollution abatement and the nature of delays.

The engineering study, made for the levee district was completed and a report submitted in October 1959, but no subsequent action has been taken regarding the arranging of financing, final design plans and construction schedules, Klassen said. Other notices were sent to the

district on April 29, 1960, and Dec. 15, 1960, requesting a commitment regarding the scheduling of financing. The latest notices went to the district on Feb. 2, 1961, and Aug. 25, 1961.

### Two Grass Fires

Firemen answered two grass fire alarms this week which resulted in no damage. The first one was at 11:15 a.m. Tuesday in the yard at the G. W. Hoehle residence, 2225 Pontoon road. The second call was at 9:15 a.m. yesterday to 2801 Willow avenue. Firemen reported that the house on the lot was empty.

"We can all be particularly delighted that he believes one of the finest uses of his time and energy is to join with all of you in a vigorous and systematic program of industrial development. This will be one of his assignments."

"We are awfully proud of Ed Schmitt. We believe that nobody can exaggerate the value of his quiet and selfless service to his company, community, and country over many years."

In today's announcement, Van Wyck said Schmitt's "zeal, acumen and broad knowledge of Southern Illinois will prove valuable to both the region and the company."

**With Firm 39 Years**

Schmitt, an Illinois Power employee since 1923 and service area manager since 1949, will devote most of his time to the urban and rural communities served by the Granite City, Belleville, Sparta and Mount Vernon area offices.

His offices will be in Granite City, and a decision on its exact location has not yet been made. Schmitt resides at 2408 Cleveland Blvd. with his wife, Anne. They have a son, Robert, a chemical engineer in Beaumont, Tex., and five grandchildren.

**New Service Area Manager**

Mathias, who lives at 34 Oaklawn drive with his wife, Betty, and daughter Chris, seven, has been assistant manager at the Granite City office since Aug. 1, 1961. The area consists of the Quad-Cities, the districts at Wood River, Hannibal, Collinsville, and the adjoining rural territory.

His responsibilities will include electric and gas operations, sales, public relations, engineering and related functions.

Associated with Illinois Power since 1942, Mathias served in the Army Infantry during world war II. He was born in Pennsylvania, and attended Eastern Illinois University and North Texas State Teachers College.

Mathias was assistant manager for electric operations at the Decatur headquarters before his promotion last summer. From 1958 until the early part of 1961, he was manager of the Wood River power plant.

Mathias joined Illinois Power as a meter reader in Decatur, and Schmitt started as an ice salesman.

The new area manager's positions have included electrical maintenance supervisor at the Hennepin power plant, beginning in 1953.

### Rapid Area Growth

Schmitt's career, both professional and civic, has been highlighted by the rapid growth of the Quad-Cities and Illinois Metropolitan Area. The growth made advance planning essential in many fields, and he has been closely linked with most of the major community improvement programs of the past three decades.

He is credited with aiding Illinois Power materially in always having a readily-available supply of gas and electricity to meet the needs of residential, commercial and industrial expansion.

Plans were announced this winter for an additional power generating unit at Wood River and for extension of the company's distribution systems, enabling over 3000 new customers to be provided service during 1962. Major street lighting projects have been completed in the Quad-Cities, underground gas storage has been perfected and Illinois Power lines have been connected with neighboring utilities to afford reserve power for emergencies.

Schmitt first came to the local office in 1926 after three years in St. Louis. His initial position here was as assistant manager for the Quad-City area, and he subsequently served as district manager and division manager.

**Second C. O. C. President**

The second president of the Tri-Cities Chamber of Commerce, he served in that capacity for two years. He also has been president of the Granite City Plan Commission, Salvation Army, Granite City Rotary club and the Community Chest, serving as Community Chest director for five years. A member of the Chamber of Commerce for many years, he almost single-handedly obtained a master sewer, and drainage engineering study in 1943. He aided in securing the original Namok storm-water drainage program, which provided for the Granite City sewer system paid for by the federal government, and was instrumental in obtaining approval for a new Granite City post office to be built this year.

A member of the official Madison County Zoning Commission, he also has been director and officer of the Madison County Citizens' Planning Commission, which secured county approval for establishment of the official Madison County Zoning Commission, in which he also serves. He served on the Granite City War Memorial Committee which

JAYCEE LEADERS are shown here at last night's regular meeting. Standing, left to right, are: Jerry McPherson, local president; Harold Sifton, national director; John Mellett, state vice-president; Leo O'Brien, national director; and Earl Dotzauer, local J.C.I. chairman. Kneeling are: Don Young, orientation chairman; and Earl Parsons, Jaycee international speaker.

## National, State Heads Address GC Jaycees

National Directors Leo O'Brien, national president, and Harold Sifton, state vice-president, John Mellett, state vice-president, and Earl Dotzauer, local J.C.I. chairman, were present at the regular meeting last night in the 300 Room of the Big Top Bowl.

O'Brien explained Jaycee operations at the national level. Sifton at the state level, Granite City President Jerry McPherson spoke on the local operations.

Earl Dotzauer and Earl Parsons reported on the Junior Chamber International convention. Dotzauer is the Granite City J.C.I. chairman and Parsons attended the recent international convention.

Don Kopp was presented with the organization's SPOKE award for outstanding first year members. The award is for service, participation, orientation, knowledge and enthusiasm in the group programs.

First Vice-President Alvin Barnes presided at the meeting. It was decided that the Feb. 21 dinner meeting would be for the member's wives. Organization chairman reported credit.

**USO Founder**

Regarded as principal founder of the wartime United States Organization here, he arranged for the equipping of USO facilities at the YMCA. He served on a special committee that undertook renovation of two abandoned cemeteries near local public housing facilities, and sought to fix responsibility for continued maintenance.

During the depression years Schmitt was a member of the Citizens' Fiscal Advisory Committee. This group aided in restoring solvency to the Granite City municipal government, enabling city employees to be paid. A leader and active participant in many special fund drives over the past 30 years, he took part in the successful efforts to expand St. Elizabeth Hospital and remodel the YMCA. He had a major role in the Salute to the Engineer Depot and All-America City celebration.

He is member of the First Presbyterian Church and is active in Masonic and Shrine organizations. His hobbies are the piano, fishing and photography.

## \$812 Million Assessment For County Property

An abstract of real estate and personal property assessment for Madison county, showing \$775,047,920 of the \$812,202,639 grand total, was sent this week to the Illinois Department of Revenue by Miss Eulalia Hotz, county clerk.

The \$812,202,639 total for the 1961 assessment year is an increase of \$18,147,090 over 1960.

Included are the township assessors' figures, as adjusted by the County Board of Review. \$775,047,920, up \$18,147,115; state-assessed railroad property, \$344,364,819, down \$385,775; and state-assessed capital stock, \$2,288,900, up \$65,950.

"With the state's railroad and capital stock valuations received, work is now proceeding to establish the valuation allocated to the 127 different taxing districts in the county," Miss Hotz said.

From the assessment totals for each governmental body, levies will be applied and rates computed, enabling extension to be made in collector books by the county clerk's tax staff.

All local townships show an increase in their 1961 assessment totals. The only five with a decrease from 1960 are Leef, Mahan, Alhambra, Hamel and Omphim.

The \$775,047,920 total certified by the Board of Review compares with \$771,834,500 listed by the 24 assessors.

## Man's Waller Lost

Robert Davis, 1345 Meridian avenue, reported to police Tuesday at 4 p.m. that he lost his wallet containing his driver's license and valuable papers.

## Undergoes Heart Surgery

William Hakebolt, local grocer, 2323 Delmar avenue, underwent heart surgery this morning at Jewish Hospital in St. Louis.

On their work and the meeting adjourned with the Jaycee credit.

## Downtown Promotion Pledges Commencing

As of this morning, \$1415 had been pledged toward the \$15,000 goal to finance a year-long promotion of the Downtown Granite City Shopping Center to begin next month, according to Ted Berger, chairman of the promotion committee.

Pledges have been received from nine of about 200 downtown merchants, business men and professional men expected to contribute to the fund, Berger said. He added that all will be contacted by the first of next week.

A team of 44 collectors began soliciting funds Monday from all downtown stores, business firms and professional men, including property owners. A pre-established assessment had been set for each.

The promotion campaign is designed to develop the concept of the downtown Granite City business district as a shopping center and to acquaint local residents with the advantages of downtown shopping.

The campaign will make use of Press-Record advertisements, other communications media, special tabloids, circulars, direct mail, store window displays and decorations, carried out under the direction of a 14-man executive committee headed by Berger.

The central theme will be followed each month, beginning in March, with sales and other special events coordinated to fill the idea of the month.

## City Court Jury Setting Postponed

The city court jury setting which was in session last week has been postponed indefinitely, Mrs. Helen Homan, clerk of the city court said today. The Saturday morning docket of cases on the jury setting also has been canceled.

City Court Judge Fred P. Schuman, who was presiding in both instances, is the father of Mrs. Elaine Spengler, one of four young Granite Cityans who died in a traffic accident last Sunday near Nashville.

## GC Rotarians Told of General Steel History

History of General Steel Industries, dating back to foundation of the Commonwealth Steel Co. in Granite City in 1904, was reviewed by T. A. Koleas, of General Steel at Tuesday's Granite City Rotary meeting at the YMCA.

Presenting a commentary on slides were projected, Koleas told of the firm's increasing diversification, and predicted further advancement for the corporation in the future. He was introduced by Henry Ross, program chairman.

Dean Maberry was named chairman of the 1962 Rotary Horse Show, which was set for Saturday, Aug. 25. The year's second meeting with 100% attendance was reported.

At noon next Tuesday, the Rotarians and their wives and guests will hold a Valentine party at the Rose Bowl. Muri Anderson is committee chairman.

## Bi-State Gets Funds For Toll Bridge Study

A study of the feasibility of the Mississippi River in the Crystal City, Mo.-Harrisville, Ill. area will be made possible through \$17,500 in funds which has been received by the State Development Agency, Director Col. R. E. Smyser Jr. said today.

Money for the study was raised through the efforts of committees in Monroe county, Ill., and Jefferson county, Mo., who subscribed business and labor organizations and individuals.

The consulting engineering firm of De Leuw, Cather & Co. of Chicago has been awarded a contract to complete the study, Col. Smyser said. If the bridge is constructed, it would be financed through the sale of revenue bonds, he added.

Crystal City and Harrisville, Mo., and Jefferson county, Mo., are not connected by the Mississippi, are not connected by a bridge and ferry service between the two points has been abandoned.

## Government Offers To Lease Acreage Near Canal

Bids are being sought by the St. Louis District Engineer's office for leasing 239 acres of government-owned land for eight months starting March 1. The bid opening is scheduled for 10 a.m. Feb. 21 in the U. S. Army Engineer District office in St. Louis.

The entire 239 acres is in the vicinity of Granite City. The government specifies that in efforts to reduce the production of price-supported crops in surplus supply that the lessee agree not to utilize the premises for barley, corn, cotton, flaxseed, grain sorghums, oats, peanuts, rice, soybeans, tobacco or wheat.

One tract west of the Chain of Rocks canal and north along U. S. Highway 66 contains 14 acres and was leased last year by Jack Bond.

The others are east of the canal, with three tracts south of U. S. 66 and four others north of the highway. Those to the south include 24 acres, 24 1/2 acres and 19-acre tracts leased last year by Harry D. Deabarger; and to the north—6 1/2 acres leased by George C. Hackett; 17 acres leased last year by James R. Thomson, 54 acres leased by Alvin Willard in 1958 and not leased in the past three years, and 81 acres leased in 1958 by Delmar Olden and not leased in 1959, 1960 or 1961.

## Congressional Action Chairmen To Meet

A meeting of the Tri-Cities Chamber of Commerce Congressional Action committee's sub-chairmen has been called for noon next Monday at the Elks Club by Chairman Sam L. Meyer.

Meyer said the chairmen will outline operations for the committee.

### LATIN AMERICAN STUDY BY WOMEN'S SOCIETY

"Mission of Church of Christ in Latin America" was the program topic of the Women's Society of Christian Service Monday evening at the Nameoki Methodist Church. It was presented by the Every Member Busy circle.

Those taking part in the program were Mrs. Vena Pittman, Mrs. Luan Briner, Mrs. Ruth Hancock, Mrs. Beas Casey and Mrs. Vivian Guika.

A brief business meeting was conducted by the president, Miss Morena Groshong who reminded the members to bring cookies for children of the Leslie Bates Settlement House for St. Valentine's Day. They should be at the church by Feb. 11.

A late dessert course was served by the evening's hostesses, Miss Groshong and Mrs. Lucille Russell, to those taking part in the program and Miss Reba Jo Gunter, Mrs. William Kirchner, Mrs. Jan Kohl, Mrs. Pat Jerz, Mrs. Mildred Nancey and Mrs. Ena Potter.

The next meeting will be held March 5 at the church.

### TRAINING COURSE FOR GIRL SCOUT LEADERS

A meeting of leaders of Neighborhood Four of the River Bluff Girl Scout Council was held Monday evening at St. John's Lutheran Church on St. Clair avenue.

After an opening ceremony of repeating the scout promise, Mrs. Doris Votaw, chairman, announced that a leader's training course will be held Feb. 13, 15, 20, 22 and 26 at the First Presbyterian Church on Delmar avenue. The Feb. 26 meeting will be an outdoor event. On April 24, 25, and 26, a neighborhood service team training course will be held; the place will be announced later.

Mrs. Votaw announced that a senior conference will be held March 20 and 31 at the Venice-Madison American Legion Home, and Venice leaders will be the hostesses. She reported that Miss Dorothy Hinson is the senior scout advisor for Four of the River Bluff Council, consisting of Madison, Venice and Granite City.

Other dates announced by Mrs. Votaw were an international friendship dinner at 6:30 p.m. March 13 at St. John's Lutheran Church; and a "Thinking Day" at the Venice Legion home, with entertainment by a folk dancing group, Feb. 18.

The chairman reported that each neighborhood in the district will represent a different country at the international dinner. Neighborhood One will represent Alaska, Neighborhood Two Europe, Neighborhood Three Hawaii, Neighborhood Four Mexico and Neighborhood Five China. She appointed Mrs. Betty Wallace and Mrs. Julia Barnes to be dinner chairman and co-chairman from the district Four, and members of their committees will be Mrs. Virginia Jenkins, Mrs. Jean Beatty, Mrs. Stella Davenport and Mrs. Mary Ann Reid.

Others appointed by Mrs. Votaw were Mrs. Lois Haynes as duplicating machine operator and Mrs. Barnes as projectionist. Mrs. Elsie Rodell reported on day camps and established camps. She said that established camps will consist of two 12-day periods starting June 9 and running to July 1. Following this there will be three six-day camping periods for troop or patrol camping. She also announced that each camping will be supervised by the River Bluff Council and that each scout registering for camp will receive information prior to the opening which will explain what to take, to camp.

The business meeting concluded with the outlining of four goals of the River Bluff Council: parent education, membership, recruiting of personnel and improvement of the scout program.

After the meeting, a songfest was held, led by Mrs. Shirley Brown, Mrs. Helen Miller and Mrs. Louise Koester. Leaders of the Wilson school served refreshments to 28 members. The next meeting will be March 5 at St. John Church on St. Clair.

### PRESBYTERIAN WOMEN PLAN SPRING PROJECTS

The executive board of the Nameoki United Presbyterian Women's Association met at the home of Mrs. Ann Freeling, 3141 Myrtle avenue, Tuesday evening. The hostess gave the devotional and offered prayer, and Mrs. Alta Stewart, president, conducted the meeting.

Mrs. Louise Anderson, world service chairman, reported that cancer bandages for January were made and delivered. She announced Feb. 20 as a tentative date for the next bandage cutting session, to be held at the home of Mrs. Louise Thompson, 2224 Grand avenue. A brief discussion was held on an overseas sewing project.

The program chairman, Mrs. Beatrice Pyle, reported that the next meeting on Feb. 12 will consist of a discussion of "A Presbyterian Believes," led by Rev. Calvin Marcum, pastor. Mrs. Edith Simons, ship chairman, reported on a meeting of the Quad-City Council of Church Women held to make preparations for the World Day of Prayer March 9. She said March 4 will be Illinois Blanket Sunday for selection of

Wounded GC Man Listed In Critical Condition

Frank Vitale, 33, of 2113 Glen drive, who was wounded twice by a shotgun Monday at his home is still listed in critical condition today at St. Elizabeth Hospital.

Vitale, a railroad worker, was shot in the back and left leg.

His 11-year-old son, seen with the weapon, has been referred to Coordinated Youth Services, which informed the Press-Record today that the boy, Frank Jr., who has been under counseling of youth agencies, has been placed in an institution.

Stop Sign Charge

Charged with failing to observe a stop sign yesterday at 10:30 a.m. was Elaine E. Shucart, Creve Coeur, Mo., who pleaded guilty before Judge Magistrate Gasparovic and was fined \$5 and costs.

## 10 Local SIU Students Practice Teaching

Sixty Southern Illinois University students including 10 from the Quad-Cities, on the Edwardsville Campus, are engaged in student teaching this quarter in the Madison-St. Clair counties area.

Among them are six from Granite City, two from Venice and two from Madison, who are doing their student teaching in schools at Alton, Granite City, Madison and Venice.

Those from Granite City are Judith Prewett, 2937 Iowa street, teaching physical education in West Junior high school in Al-

ton; James W. Talley, 1804 Primrose avenue, teaching history in Coolidge junior high school; Edward F. Lenzi, 1929 (rear) Cleveland blvd., teaching mathematics in Granite City senior high school; Carol L. Singleton, 2591 Lynch avenue, teaching third grade in the new Logan school here; Merlin F. Robinson, 2417a Delmar avenue, teaching physical education in Prather junior high school; and Patricia A. Mega, 2646 Lincoln avenue, teaching fourth grade in Washington school here.

Peressia Dandridge, 321 Slough road, Venice, is teaching second grade in Lincoln elementary in Venice; and Lois Crawford, 422 Slough road, is an Illinois teaching certificate

## Smoke Scare Report

A smoke scare was reported as the reason for a fire call to the Sylvester Bryan residence, 2133 Benton street, Tuesday at 7:20 p.m. Firemen reported no fire in the four-family brick flat.

teaching first grade in Blair school in Madison. Judith Brown, 1707 Fourth street, Madison, is teaching third grade in Niedringhaus school; and Carol G. Cook, 1805 Fourth street, Madison, is teaching history in Granite City senior high school.

Student teaching is necessary for persons wanting to obtain Scout Week, it was announced today at the council office.

## Stationed in France

Stationed in Verdun, France, with the U. S. Army's 39th Ordnance Company is Sgt. James M. Howlett, 34, son of Mr. and Mrs. Booker T. Howlett, of 91 Weaver street, Madison. An automotive rebuilding supervisor, Sgt. Howlett entered the service in 1945 and went overseas on this tour of duty in March 1959. His wife, Haverleen, is with him.

**Outdoor Scout Display**  
Boy Scout Troop 7 of St. Joseph's Church will set up an outdoor display at 22nd street and Madison avenue, on Saturday in the observance of Boy Scout Week, it was announced today at the council office.

## Increase In Relief Cases In GC Twp.

An increase of 25 relief cases in Granite City township in January to a total of 167 with 533 individuals and costs of \$11,181 was reported this week from the office of Township Supervisor Nelson Hagnauer, who attributed the rise to expiration of unemployment compensation for a number of residents.

The totals compare to 142 cases with 465 persons and costs of \$8618 in December and January 1961 totals of 83 cases with 293 persons and costs of \$3624. Relief costs during the current fiscal year, which ends this Feb. 28, total \$93,841.

## Homemaker Group Meets

The Granite City Unit of the Madison County Homemakers Association, formerly the Home Bureau, met Wednesday afternoon at Niedringhaus Memorial Methodist Church with the Unit chairman, Mrs. Genevieve Hill, in charge.

The reports of the secretary and treasurer, Mrs. Ietta Staudhar and Mrs. Glenda Osburn, were heard; and the health report on "Glaucoma" was given by Mrs. Annie Pare, Mrs. Nor-

ma Breidenbach spoke on "Citizenship" and urged the members to vote in the April primary election.

"Health Facts and Frauds" was the topic of the major lesson given by the local leaders, Mrs. Rose Marie Hayes, and Mrs. Breidenbach, and the selected subject "Table Decorations" was given by Mrs. Staudhar who illustrated party favors and decorations and the inexpensive way in which they may be made. The mystery package was won by Mrs. Breidenbach and a desert course was served by the hostesses, Mrs. Charlotte Tempel, Mrs. Josephine Uram, Mrs. Haynes and Mrs. Breidenbach to 21 members and the following

# New Venice High Band Uniforms Are Chosen

Purchase of 57 new uniforms for the Venice high school band was authorized by the Venice school board at its February meeting Monday night. Delivery is expected in about eight weeks.

The new attire will replace the 17-year-old suits currently used by school band members. The purchase has been under consideration by the board for some time.

Purchase price is \$75 each for the new uniforms, supplied by DeMoulin Bros. & Co. of Greenville, Ill.

"We've been talking about this for two years now," Supt. John O. Pier told the board, "and it's time we go ahead with it."

Pier said that after comparing costs and quality of uniforms offered by a number of companies, he felt the Greenville firm had the best offer. The board voted unanimously to authorize the purchase.

**Special Design**  
The new uniforms will feature a specially-designed arm band depicting the McKinley Bridge, which is owned by the city of Venice. The company had suggested a local tie-in with Venice, Italy.

Board President Lester Salem said he thought the bridge emblem would be a more suitable embellishment for the uniforms, as McKinley Bridge is well known throughout the area. He attributed the idea to Austin Lewis, school board attorney.

The new uniforms will consist of gray pants and maroon coats, with a wide maroon stripe down the side of each trouser leg. The stiff collared coats will each have a reversible breast-plate, divided on one side and having a large "V" on the other.

Pier said the company's representative reported it would take at least six weeks to complete the uniforms, but that eight weeks should be the maximum time needed for delivery.

In other action Monday night, the board approved payment of bills totaling \$18,176, including \$16,573 from the educational fund. A total of \$1151 in building fund bills accounted \$399 to Foley and Dutko for installation of new doors at Lincoln high school.

**School Lunch Costs**  
Transportation bills amounted to \$452, including \$224 for repairs, and school lunch bills to be included in the educational fund payments totaled \$1093 at Venice and \$707 at Lincoln for January.

Pier said facts brought out at a Venice district teachers' meeting last week indicate that textbook costs for the district are coming down as a result of extensive over-all planning and coordination of book usage between the Venice and Lincoln schools.

Cost of textbooks has long been a major item in the annual school budget, he said, and he feels long-term planning in the district is beginning to pay off. He said a more careful scheduling of classes has allowed the schools to get more use from books on hand.

Pier told the board that Lewis Schin, Venice high school principal, has been accepted as a participant in a National Science Foundation summer institute at Purdue University for the second consecutive year. All costs of the course, plus a weekly salary, will be paid by the NSF.

A report approved by the board showed 93.5% attendance at Venice high school for the 19 school days of January, 90.9% at Lincoln high school, 89% at Venice elementary school and 80.9% at Lincoln elementary.

Kindergarten attendance during the month fell to 74.2% at Venice and 50.2% at Lincoln. Pier said the overall attendance record for January was good, considering the extreme weather.

## Madison Letter Carriers Urge Boost in Salaries

Madison Branch 3311, Illinois National Association of Letter Carriers, held a special meeting in Madison Monday night to discuss ways and means to effect support for a salary increase. Albert Noud and Charles Johnson were named as a publicity committee.

"Postal employees, though deserving, have found it hard to catch up salarywise with the general advance in wages in other lines of work," they commented.

Efforts will be made to impress Senators Douglas and Dirksen and Congressman Malvin Price with the needs of postal personnel. President Eugene Noud announced that Price has submitted a salary bill in this session.

**NEW UNIFORM** to be worn soon by members of the Venice high school band is shown in this artist's sketch. Featuring gray trousers with maroon coat, the uniform has a reversible breast-plate with a large "V" on the back. A specially-designed arm band will be embroidered with a picture of the McKinley Bridge.

## Awards Presented At Troop 23 Parents Night

Willard Hicks, scoutmaster, received a jeweled pin recruiting award from the parents' night meeting of Boy Scout Troop 23, sponsored by the Long Lake volunteer fire department, at the Pantown Beach fireman's hall Tuesday night.

The award was made by U.S. district representative Herbert Polley for Hicks' activities in recruiting seven new boys into the troop in the past year. The scoutmaster also received a blue ribbon award for outstanding service in keeping boys in the troop.

Troop 23 was presented with the National Camping award for having more than 10 days of camping in 1961, and a banner for having 100% subscription to "Boys Life." Charter presentation to the sponsoring organization was also made at the meeting.

Twenty-three boys and 25 adults attended the meeting, after which it was announced that the Scouts' fathers are sponsoring a fish fry tomorrow, starting at 5 p.m., at the fireman's hall.

# Zoning Change Sought For Shopping Area, Apartments

Development of a neighborhood shopping center with about ten stores and one-story apartment units is being planned by Henry Ross, local contractor, who has requested annexation and a C-2 commercial zoning classification for a seven-acre tract at St. Clair avenue and Maryville road.

His requests were presented to the city council Monday night and were referred to the City Planning Commission for recommendation.

Ross told the Press-Record he had a survey firm study the area, and that it found favorable conditions for a neighborhood-type shopping center. The local contractor said he has plans for brick units, ample parking space and apartment units designed to fit a residential area. The tract presently is zoned R-1, the top residential classification.

**Out-Of-Town Zone Request**  
Also referred to the Planning Commission on Monday was a request for a change from an R-1 to C-2 commercial designation for a tract in Chouteau township west of the State Route 3 and Maryville road intersection for a storage warehouse. Alderman Donald Partney, chairman of the Plan committee, said the site is within 1 mile of the city boundary.

The request was made by Lloyd Belcher sr. of L&W Movers, who said he plans to erect a warehouse at the rear of his home, 4924 Mueller avenue in Hills Terrace subdivision.

A proposal to ease sidewalk restrictions in older sections of the city was renewed by Alderman Samuel Whitmer, who was told by City Building Inspector Earl Bloomquist that many problems result from persons re-

**High priority job!  
Maintaining electric  
service for our  
100,000 customers  
in rural communities**

Maintaining rural electric service around the clock in any weather is a high priority job at Illinois Power. Farmers—and folks in rural communities—are mighty important customers. . . and here's why:

- Of all the communities served by Illinois Power, 83% are rural communities of less than 1500 population.
- We provide electric service directly to more than 100,000 homes in these rural communities, including more than 32,500 farms.
- Many thousands of other farm and rural residents benefit from Illinois Power's efficient service and low rates. These are the people we serve indirectly by supplying electricity at wholesale rates to 14 rural electric cooperatives, which in turn distribute it to their member customers.

Teamwork like this has brought electricity to more than 98% of farms in this territory. Keeping the cost of electricity low . . . and maintaining service 24 hours a day, 365 days a year . . . Illinois Power provides quality electric service for rural Illinois.

## Stop Sign, 2 Street Lights Approved

A third stop sign at the three-way Johnson road and Edgewood avenue intersection and installation of two street lights were approved Monday night by Granite City council members who are considering removal of unneeded street lights in the vicinity of the Union Star & Refining Co. plant.

Alderman Edmund Bartosik questioned the need for a third stop sign at the Johnson-Edgewood intersection, particularly to control southbound traffic on Johnson road.

However, Alderman Frank Vesce, chairman of the Public Safety committee, said the intersection was hazardous if the southbound traffic proceeded on to Edgewood avenue, and he said plans are to be prepared to improve the intersection.

With the approval of street lights in the middle of the 2600 block of Grand avenue and on West 21st street at the alley east of Missouri avenue, the question arose of the need for city street lights around the Union Star & Refining Co. plant.

Alderman Donald Partney called for removal of city lights because of brighter lights installed by the plant. He said about five city street lights, "that show up like a match" in comparison to the plant's lights, are mounted on the same poles with the firm's lights.

Alderman Steve Baughman recalled a similar situation along Walnut street at the American Steel Foundries plant several years ago and the street was in darkness after the city removed its lights and the plant started an economy move. "If the plant turns off its lights, we can just put ours back up," Partney replied.

No action was taken by the council on his proposal.

## Street Improvement Priority List Being Compiled For GC

A priority listing of motor fuel tax street improvement projects based on traffic flows is being prepared for the Granite City council by a subcommittee of the City Planning Commission. It was announced at Monday night's council session by Alderman Donald Partney, chairman of the Planning committee.

"I'll probably get my head chopped off when this list is presented," Partney said. "But I want you to know it is being done strictly on the basis of traffic. If a dirt street in my ward needs improvement and carries only 300 or 400 cars a day, and another in some other part of town handles a couple thousand cars and needs improvement, the one used the most should be higher on the priority list."

**No Deadline On List**  
Partney, who said he did not know when the listing would be ready, outlined the procedure after Alderman Samuel Whitmer called for immediate work on State street. Whitmer said the

street, a busy thoroughfare from 14th street to Felling road, was in bad condition before January's ice and snow and if not repaired this summer, the work probably would call for considerable replacement.

"It'll be another 18th street," Whitmer remarked, adding that he had called for immediate consideration of advancing State street on the motor fuel tax priority list and did not know the Planning Commission was compiling a city-wide program.

"I'm trying to save a permanent street and would like to have an answer as soon as possible," he urged.

Partney replied that according to traffic counts, Faith avenue, a dirt street, would be near the top of the list. Whitmer pointed out a 3000 to 4000 vehicle count on State street, and was told by Alderman Charles Meyer the top count was solely in the downtown district.

No further action on State street was taken by the council.

## GC Town Costs—\$7993; Camera For Assessor

Township disbursements totaling \$7993, including \$6940 for relief and \$1053 for town purposes were approved Monday night by Granite City council members in their capacity as the town board of auditors.

Among the town fund disbursements was listed an expenditure of \$122 for a polaroid camera and chair for the assessor's office. Assessor Van Deuren plans to use the camera in the current revaluation of property in the township.

Other town fund expenditures were \$662 half-month salaries for Supervisor Nelson Hagmann, Assessor Cruise and Chief Deputy Assessor Margaret Hornberger, \$84 for Deputy Assessor Catherine Herman, \$75 rent for the assessor's office, \$16 for janitor service, \$3 for typewriter repair, \$4 for lamp repair, \$15 for office supplies, \$7 for utilities at the assessor's office and \$64 for mimeograph supplies and a table.

The general assistance disbursements were—\$3363 for food, \$1152 for medical care, \$918 for rent, \$649 for fuel, \$120 for utilities, \$167 paid to Nameoki township, \$16 for drapes and \$38 for a sign at the supervisor's office, \$34 for supplies, \$44 for office utilities, \$75 office rent and \$337 half-month salaries for three office workers.

## GC Bills, Payroll

Total \$55,670

Bills for two weeks and half-month salaries totaling \$55,670 were approved Monday night by Granite City council members. The disbursements amounted to \$1308, while half-month salaries totaled \$37,362.

The bill list included \$2115 for fuel and maintenance for city vehicles and equipment; \$86 paid the Building Officials Conference of America, Inc., for 15 copies of the 1960 basic building codes; \$1273 paid to East St. Louis & Interurban Water Co. for service, of which \$1225 was monthly rental on 334 fire hydrants; \$64 to Grand Cafe for \$6 meals for city jail prisoners; \$2674 city share paid to the Illinois Municipal Retirement fund; \$1572 paid to Illinois Power Co. for service, of which \$1560 was for street lights; \$150 to G. A. Levy & Co. for installation and removal of city hall Christmas strands; \$352 to St. Elizabeth Hospital for medical care, Dec. 12-23 for Supt. of Streets William Warfield; \$2212 paid to Engineer David J. Johnson of which \$416 was his monthly retainer and the remainder for work on street projects.

C. H. Sternberg & Co. was paid \$4814 as the final amount due on the motor fuel tax projects Granite avenue and 12th street; A. H. Seebold received \$474 for equipment rental at the Terrace lane project and allowances on the bill list were \$111 for Mayor Davis' expenses in January; \$101 to City Building Inspector Earl Bloomquist; and \$30 for Alderwoman Mrs. Gabrielle Bettine.

## State OK's Iowa St.; Sets Material Policy

The state highway department advised Granite City council members in three letters Monday night of its approval of an arterial designation for Iowa street from 20th to 30th street, policies on purchases of materials for arterial street annual maintenance and continued vigilance by city street workers to avoid obstructing rail crossings.

The arterial approval for Iowa street qualifies the thoroughfare for motor fuel tax funds for maintenance. No projects for the street have been proposed as yet by the council.

In the second letter, Chief State Highway Engineer R. R. Bartelsmeyer said a number of municipalities were stockpiling materials for arterial street maintenance, which presents problems for the state not only in auditing but also can be expensive because of changing prices.

The state requests each city to buy materials as needed during a calendar year.

Bartelsmeyer noted in the third letter a recent train derailment in an Illinois city resulting from a street department's removal of ice and snow from a street and dumping it at a crossing. The engineer said crossings are not to be obstructed because of the danger to lives and damage to property.

## Brownies Tour Dairy

Twelve members of Brownie Troop 94 toured the Dressel Young Dairy Co., Nearinghaus avenue and Benton streets, recently. Members in the group were: Marie Beljanski, Mary Thornton, Kathy Milkovich, Frances Brunch, Tina Perdue, Margaret Rehagan, Christy Van Nida, Sharon Gasparovic, Vicki Valencia, Mary Rica Lottman, Mary Esther Ybarra and Alyce Donaldson. Two girl scout helpers also went on the tour—Joy

## Council Reconsidering Salary For Building Inspector

A second ordinance setting a salary for the office of Granite City building inspector is to be prepared for presentation to the city council. It was decided following a lengthy discussion at Monday night's council session.

The ordinance, to replace one which was discarded, is to differ from the earlier proposal in that additional duties are to be set forth and will be specified by the City Planning Commission.

A salary of \$625 a month, the same as the city inspector, was suggested. At present, City Building Inspector Earl Bloomquist receives 50% of building permit fees paid to the city. His pay for January totaled \$151, but over the past three years has averaged \$625 a month, Bloomquist told the council.

The vote for preparation of the ordinance was approved 12-3 following a half-hour debate in which most of the aldermen participated. City Atty. William Beatty to determine if Bloomquist would be eligible for Social Security during the period he is paid on a fee basis. Bloomquist said he had been told at the East St. Louis Social Security office that he was ineligible, but the attorney was asked to write to the Washington, D. C., headquarters if necessary.

**Added Zoning Duties**  
Bloomquist submitted a letter to the council Monday night requesting a salary, pointing out he has been assigned additional

duties with the adoption of a zoning code for the city and as a result of the new arrangement of committees.

In his letter, Bloomquist said he was appointed in 1957 by Mayor Davis following a three-month delay by the council, and it was in 1958 the zoning code was adopted "making my work considerably more. Cases for the appeals board were many, each of which had to be inspected individually by me and notes taken for Board of Appeals meetings."

The inspector said he meets 4 1/2 hours one day each month with the appeal board, and after the long meetings accompanying members on field inspections. He estimated 65 to 70 appeal cases in the three years of zoning, and noted the \$5 fee was turned over to the city. "For this work, I received nothing," he said.

"This past year I have been expected to attend, and do, all Planning Commission meetings which generally are held at 1 p.m. Also there are daily report complaints started last June 1 by Mayor Davis. Bloomquist continued, saying he has handled 75 to 100 in that period.

The complaint, he explained, concern building permits, conditions of dwellings, electric service, plumbing and dangerous buildings, each one requiring several visits to complete. "Permits involved on some of these amount to \$2 or \$4 and they generally average six trips each to make everyone happy."

**Special Notices**  
His current duties, he added, are to send out notices for re-zoning, rebuilding or demolishing structures. "Most of this involves zoning, requires many trips and consumes much time and almost all is done without pay."

"I have a problem with polling the zoning code in regard to illegal uses, such as beauty parlors and the like in residential areas, without proper Board of Appeals decisions. However, zoning laws say I am responsible for this policing. At several homes, without building permits, garages have been remodeled for extra room and without providing off-street parking. All complaints, notices, etc. are recorded in my office."

Bloomquist added that he should take care of inspection of sidewalks and street inspection in new subdivisions, and could do the job without delaying the council's action being given 24 hours notice.

**Overlapping Duties Questioned**  
The setting of duties, he added, duties of the building inspector was suggested by Aldermen Charles Meyer, who said the council already is on record to hire a fulltime city engineer for some work now being carried out by the inspector.

Alderman Mrs. Gabrielle Bettine challenged the legality of another ordinance, since the first one had been rejected by the council. City Atty. William Beatty said a new ordinance

would be proper, and it would not be necessary to rescind previous action.

An exchange between Aldermen Walter Nomm and Paul Rutledge ensued. Nomm said a new salary could not be justified with the city faced with layoffs of other employees because of severe repair costs. He said the city had a \$131,000 deficit. (At the present time the general fund balance is about \$181,000 with three months of the fiscal year to go and expenditures averaging \$80,000 to \$100,000 a month.)

Rutledge pointed out he had noted a forthcoming deficit several months ago, and Nomm at that time was against any cutbacks for economy. Rutledge said the city's reserve, built up over 15 years, has been spent for severe repairs and must be repaid. However, Rutledge added, the salary for the building inspector would provide better service for the city.

Nomm replied he had been misinformed two months ago about the city's financial condition, but added there have been other instances in which aldermen had changed their votes.

In reply to several aldermen's questions, Bloomquist told council members he had been asked by the mayor to give up his contracting business upon being appointed to the city post. Other city inspectors, plumbing and electrical, hold regular jobs and make city inspectors after work, it was brought out.

## Sewage, Drainage Recommendations Due

Committee recommendations on sewage and drainage should be made to the city council soon, Chairman G. W. Hoelscher reported at a Tri-Cities Chamber of Commerce board of directors meeting Tuesday night.

Hoelscher, who also is chairman of the C. of C. committee on sewage and drainage, said the Citizens' committee has met with a four-man aldermanic committee appointed by Mayor Davis to work on the matter, and hope to conclude the work soon.

The C. of C. board heard reports from all standing committees at the February dinner meeting. President Paul H. Lichtenberger presiding. Twenty-three board members attended.

Howard Kaseberg, a member of the Madison county planning committee, said the group has held 10 hearings to date on the proposed county zoning plan and expects to resume hearings in March.

A report by Harold F. Kauder, chairman of the Good Citizenship committee, showed avid attendance at the pilot group course on Communism recently being conducted. He said when it is finished, discussion leaders will have been named for other courses.

Two new C. of C. memberships were announced by Chester L. Baker, chairman of the Membership committee. They are Andrew Clyde, representing the Clyde Painting Co., and Walter J. Ende, representing the Raser Collecting Agency. Both were volunteer members.

Reports also were heard from the Light Industry committee, the Industrial Development committee, the Congressional Action committee, and the Transportation and Highway committee.

## Mrs. Rosena Martin Succumbs At Age 82

Mrs. Rhoda Rosena Martin, 82, of 1625 Third street, Madison, died at 8 a.m. Tuesday at an Alton hospital where she had been a patient six months. She had been ill several years.

Born in Pike county, Ind., Mrs. Martin moved to the Quad-Cities in 1902. She had been a Madison resident since that time, with the exception of 14 years in which she lived in St. Louis.

She was a member of the Primitive Baptist Church. Surviving are a daughter, Mrs. Russell (Ellen) Sellme, Madison; a sister, Mrs. Laura Clare, Granite City; a brother, J. A. Dinnett, of Granite City; four grandchildren, 14 great-grandchildren and a great-great-grandchild.

Funeral arrangements are given in the obituary column.

## Proclamation

WHEREAS, Feb. 8, 1962, is the fifty-second anniversary of the founding of the Boy Scouts of America, chartered by the Congress of the United States of America as a program for all boys, and

WHEREAS, the Boy Scout program has affected the lives of over 34,000,000 boys and men since 1910, and now has an active enrollment of more than 5,200,000, of whom over 4000 are active locally within the Cahokia Mound Council, and

WHEREAS, the movement has inaugurated its new program of emphasis entitled, "Strengthen America... Character Counts," by which it aspires to "build a strong America, serve the cause of democracy and achieve the purpose of scouting."

NOW THEREFORE we, the mayors of the Quad-Cities, do hereby proclaim the week of Feb. 7-13 as Boy Scout Week, and acclaim its new program since the first line of our nation's defenses lies in the character of its people and of the coming generation.

WE URGE our citizens this year to recognize the important part the family plays in the development of boys, of scouting and the American way of life. Further, that they appreciate and support the unselfish patriotic service rendered to our community by the volunteer leaders of this great movement, and also the assistance given by religious bodies, school organizations, veterans' organizations, fraternal groups and service clubs that sponsor our Cub Scout Packs, Boy Scout troops and Explorer posts.

## 200 Attend Special Abe Lincoln Program

Granite City park district's special Abraham Lincoln program Tuesday night at the Namoki school gymnasium attracted 200 persons.

The free program included three films about Lincoln, furnished by Harry Fiedler, and a talk by G. H. Sternberg. The address covered the early years of Lincoln's life leading up to the subject matter of the three films.

Eight prizes, four books and four records of the story, "Meet Mr. Lincoln," were awarded. Recreation Director Harold Brown said the turnout has resulted in the park district planning another educational program.

## Slight Decline In Nameoki Twp. Relief

A slight drop in relief cases, but higher costs due to three large medical bills, were reported this week for January by the office of Nameoki Township Supervisor Harry Briggs.

The township handled 72 cases involving 274 individuals during January and costs amounted to \$8489. In December, the totals were 76 cases with 277 persons and costs of \$6199; while in January 1961, the figures were 71 cases with 273 persons and costs of \$9244, with several old, outstanding medical bills included.

## 185 Mishaps Last Month Set January Mark

Quad-City area traffic accidents set a January record with 185 mishaps recorded last month. Previous January high was 173 in January 1959. A year ago, the month saw 158 crashes.

The 50 injuries here during the past month represent the smallest injury total for a January in four years. There also were 50 persons hurt in January 1958; last January, injuries totaled 63, and the record is 87 in January 1959.

With no traffic fatalities, January 1962 equaled the mark also set in January of 1955, 1958 and 1961. Five were killed in January 1957.

**Snow, Ice, Cold**  
Factors affecting the past month's traffic were varied, but

# Alton Holds Key To SWC Title; Busy Weekend Set

The up-and-down Alton Redbirds hold the key to the Southwestern basketball conference championship this year, although Mel Sheets' athletes don't figure in the title race themselves.

Tied for fourth place with Wood River (both are 4-3), Alton will travel to Collinsville tomorrow night and then play host to Belleville the following evening. If the Redbirds can come up with a victory in one of those games, such a turn of events would virtually assure the team that it does not lack a clear path to the SWC crown.

Belleville, at 9-1, still holds a half-game lead over the Kahoks, who are 8-1. The Maroon-Kahok conference series has been completed, with each team winning once. Collinsville by a more convincing 84-72 margin last week.

If the conference title hopefuls follow form, both will finish with 11-1 SWC marks—and an untouchable tie for the championship. Just which is the superior team would then have to be decided, when and if both clubs won regional titles—Collinsville at Wood River and Belleville at East St. Louis—and were paired again in the Granite City sectional.

Alton has not followed form this season. Beaten by just one point (61-60) in Belleville on Jan. 20, the Redbirds could give Belleville trouble at home Saturday night. Collinsville will have the home court advantage tomorrow night, and Alton lost at home to the Kahoks Jan. 5 by 71-63.

East St. Louis, a surprising occupant of third place in the conference (6-4), has just two loop games remaining to be played, and no chance to catch the leaders. The Flyers put up a strong battle last week, losing being edged 48-44 by Belleville. On Friday night, the Flyers are at Wood River, a so-so team which bounced Alton 38-34 Saturday night.

It has been an unpredictable season so far, and the fireworks may not be over yet.

Edwardsville, a 19-point winner over Granite City on Jan. 10, Tiger hardwood earlier, was bombed by the lovely Warriors 59-29 Saturday night. Ron Harris takes his sixth-place crew into the Belleville gym Friday night, and then must play at Collinsville at home Saturday evening.

**GC Advance?**

Granite City, the only SWC team which will not see league action Friday, probably can move out of the league basement if the Warriors can topple Wood River here Saturday. The Oilers won, 62-45, earlier in Wood River, but Andy Sullivan's club got a taste of victory against Edwardsville last week and from all indications the boys liked it.

Sullivan certainly did, and already is talking about giving Collinsville trouble in the regional tournament. The Warriors drew the second-seeded Cahokia in the opening round at Wood River on March 5.

Currently, Edwardsville is 1-8 in the conference, and Granite City 1-9. The Warriors will be looking for their third victory in 18 games at home Friday night against Dupo (6-10).

# GC Joins 7 Other Schools In District Mat Tourney At Wood River On Feb. 17

Granite City will be one of eight area high schools which will enter local wrestling tournaments to be held Feb. 17 at East St. Louis, Springfield and Decatur. The champions and runners-up in each weight division at all four district sites will come here Feb. 24 for the sectional meet with Granite City high school as the host.

Winners and runners-up here qualify for the state tournament which has been shifted to Arlington Heights from Champaign this year, and is scheduled March 2 and 3.

Schools entered in the district meets which will send the top finishers here are: At East St. Louis — Belleville, East St. Louis, Benton Carbondale Community, Carbondale U. High, Murphysboro, Sparta and Carterville.

At Springfield — Lanphier — Cahokia, Edwardsville, Highland and Roxana. Highland is competing at the district level for the first time.

Other Illinois High School Association district tournaments will be held Feb. 17 at East St. Louis, Springfield and Decatur. The champions and runners-up in each weight division at all four district sites will come here Feb. 24 for the sectional meet with Granite City high school as the host.

DeMolay Rifle Team Officers and associates photographed at the Granite City Police Dept. range. Paul Moore, rangemaster; Charles McConnell, secretary; Roy Wilmsig, instructor; and Robert Moore, executive officer. Kneeling — team members Richard Slay, Marvin Fitzpatrick, mascot Robert Wilmsig and Larry Lakin.

**CO-CHAMPIONS FOR 1961** in the Granite City DeMolay rifle squad are Charles McConnell (left) and Robert Moore, who had identical scores of 97 out of 100.

The local DeMolay "Hot Shots," a rifle team for boys 13½ to 21 years of age, is beginning its third year this month and already has gained recognition in the district, state and national.

In a National Rifle Association "postal" meet, the local team, which practices and fires at the range, ranked 35th in nationwide competition for November and December matches with a score of 1806 out of 2000.

The DeMolay squad of 50 boys also is expecting delivery soon of a trophy for placing first in District 7, which includes the states of Illinois, Indiana, Michigan, Ohio and Wisconsin; and placed sixth in the nation in the DeMolay Postal Rifle matches for 1961.

All 50 members of the squad have attained the award of the DCM medal (Director of Civilian Marksmanship) for shooting a specified course, and during 1961 a member — 14-year-old Gary McConnell, 3013 Wayne avenue, became the first member of the squad to shoot a perfect score of 50-out-of-50 with his .22 caliber rifle.

Also for 1961, the squad has co-champions — Robert Moore, 16, of 2613 Iowa street, who was the 1960 club champion, and Charles McConnell, 16, of 3013 Wayne avenue. Both scored 97 out of a possible 100, according to instructor Roy Wilmsig and assistant instructor Julian Smith.

The rifle squad, most of its members wearing ample shooting medals, practices each Wednesday evening at the police department's range under the sponsorship of the Granite City DeMolay Chapter and under the guidance of Wilmsig and Smith, aided by Police Lt. Paul Moore, father of the co-champion, at the range.

Matches are scheduled with Granite City's Junior Police team this month and with East St. Louis DeMolay squad in March.

In beginning its third year this month, the squad installed new officers in a recent ceremony.

The officers are — Charles McConnell, president; Michael Reed, 14, of 2605 Manley avenue, vice-president; William Noud, 15, of 1943 Delmar avenue, secretary; Robert Ray, 15, of 3043 Pontoon road, treasurer; Robert Moore, executive officer; and Robert Wilmsig, 10, of 2010 Pontoon road, mascot.

The squad's shooters in the November-NRA Junior Postal Match were — Charles McConnell, 185; Moore, 180; Gary McConnell, 177; Ray, 176; and Reed, 173, for a total of 893. In the December match, the scores were — Reed, 188; Charles McConnell, 183; Gary McConnell, 183; Moore, 181, and Ray, 178.

Madison high school's freshman basketball club, a 48-27 winner over Cahokia in Madison earlier this season, blew an 81-60 lead in the first quarter to lose 46-43 to the Cahokia squad.

Behind 14-11 after one quarter, Madison regained the lead at halftime, 31-24, and stretched it to 38-30 after three periods. But the Trojan front scored just two baskets and a free throw in the final eight minutes while Cahokia found the range for 16 points.

Hayes Wright led Madison with 21 points, but no one else hit in double figures. Cahokia had three players with 11 or more points. The Trojan fish hook have a 4-3 record.

# Madison's Uncrowned MWC Champs Resume Play Tomorrow At Roxana

If losing to Madison's Trojans by 28 points is anything to brag about, then Roxana Coach Jim Wasem can do it, because his team has come the closest of any Midwestern conference squad to beating the high-flying Big Green of Coach Earl McClanahan.

Undefeated in 18 games, Madison journeys to Roxana tomorrow night for its first action since trouncing Collinsville last Saturday night, 58-51. The Trojans will be looking for their eighth win in the conference.

The Big Green defeated Roxana's Shell: 83-55 Jan. 12 at Madison.

Same Lineup

McClanahan is expected to go with the same lineup that opposed Collinsville's Kahoks, Don "The El" Freeman will handle the pivot chore. Bob Haynes and Terry Andrews will join "The El" on the baseline and Ken Griggs will man the guard post.

Certain to see duty is Ed Bledsoe, who is called upon to leave either Griggs or Gravelle some of his close games. The Charles "Box" Koske, Calvin first is deadly from the line. Jackson, Chuck Venarsky and land hit as many as 25 in a game.

Coach Wasem's squad is 4-3 in conference play. Shell starters include Steve Taubee, Fred Hughes, Larry Meyer, Jim Frazer and Jerry Tovo. Taubee and Meyer and Tovo were high for the Roxana against Madison earlier in the year with 18, 15 and 10 points.

Free Throw Practice

Certain to be on Madison's practice priority list this week is free throw shooting.

The Trojans shot a miserable 43% from the charity stripe in their last outing. They hit 10 of 23 attempts and missed on several possible bonus situations.

If McClanahan's team remains sour at the free throw line, it is almost sure that the hosts will perform admirably. Wasem's record is not big, so he has had to rely on free throws and some of his close games. The Charles "Box" Koske, Calvin first is deadly from the line. Jackson, Chuck Venarsky and land hit as many as 25 in a game.

# Benefit Basketball By Venice Teams Saturday

The city-dweller athletes will be coached by Carl Byrnes and Donald Phillips, while the firemen and police will be led by Chiefs Michael Leatherman Jr. and Frank DeWitt.

At the half-time of the feature game, a tumbling exhibition will be presented by sixth grade girls.

No admission will be charged. Contributions will be accepted for the Crippled Children's Organization, which aids the National Foundation, the Shriners Hospital and Venice residents crippled by accident or illness.

**Bowland Hosts SBPA Keglers On Saturday**

The Southern Illinois Bowling Proprietors Association Classic league will move to Bowland lanes here Saturday night, when the 19th place Alton Falstaffs (19-27) meets last-place Busch Bavarian (27-39) of Collinsville. Cahokia Bowl (38½-27½) will host Fairmont Bowl (31-35), host Schlitz Beer (32-34) takes on Lonham's Bowlers' Shop (33-33) of East St. Louis and Shop City Bowl (33½-32½) vies with Ripley Pins (30-35) of O'Fallon.

Saturday's session begins at 7 p.m. Schlitz's Max Legate has been named pin to a 203 average.

Also in the individual average department, Mueller is hitting at a 200 clip.

# PRESS-RECORD SPORTS

# Freeman Has 25.1 Average; Trojans—79.5

Averaging over 79 points a game, sporting four players who have better than 11-point averages, possessing an average victory-margin of over 28 markers and also having Don "The El" Freeman—these are just some of the reasons Coach Earl McClanahan's Madison Trojans are the only downstate prep team that is undefeated.

Winning 18 straight, the Big Green seems well on the way to an undefeated tour through the regular schedule, which shows six games remaining.

Three of the five opponents already have been conquered by the Trojans earlier; the other two—Granite City and Belleville—pose the toughest competition.

# Warriors Improving

Experiencing an off season, Coach Andy Sullivan's Granite City Warriors cannot be taken lightly in an inter-city battle, especially after whipping Edwardsville handily Saturday night, 59-39.

Belleville's Maroons, who were ranked eighth in the state prior to Friday night's loss at Collinsville, are definitely a threat to a perfect campaign. Belleville has had its ups and downs during the year, and included in one of the Trojans' wins was Collinsville's first loss in 36 games.

Madison is led by its six-foot, 200-pound center, Freeman, with a 25.1 average. "The El" has pumped in 452 points during the 18 games, and most of his markers came against taller opponents.

Closely Bunched

The next three Trojans are bunched closely together. Ken Griggs is hitting at a clip, and Mick "Hawk" Gravelle is ahead of Bob Haynes by a tenth of a point with an 11.7 average.

Charles Koske is fifth in the scoring race with a respectable 6.4 mark and is followed by Terry Andrews and Ed Petty with 4.9 and 4.4 averages.

Coach McClanahan's team's defense has not been slack, also. Madison, while averaging 79.5 points a game, is holding its opposition to 50.7. Saturday night's 58 points against Collinsville were a season low, but the Kahoks' two hits were bottomed with their 51-point performance.

### SHARE HONORS AT BIRTHDAY DINNER

Mr. and Mrs. Joseph Robbers, 2418 Benton street, entertained guests at a family dinner party this week in honor of the birthday of two of their grandchildren, Alan Hampton, 14, and Margaret Hall, 11 years old. Others present, including the parents and brothers and sisters of the two honorees, were Mr. and Mrs. Leo Hampton, a daughter, Bruce, Cathy, Dennis, Donald and John Robert, of Glen Carbon, and Mr. and Mrs. Donald J. Hall and daughter, Isabelle, and sons, James and Joseph, of this city.

### Club Meets With Mrs. Hagan

Mrs. Andrew Hagan, 2530 Edwards street, entertained her pi-nocchio club Tuesday evening. The group celebrated the birthday of one of the members, Mrs. Joseph Parente, and gifts were presented from the club and Mrs. Parente's "sunshine friend." There also was a birthday cake, and refreshments were served. Winning prizes in games were Mrs. Parente, Mrs. John Bowman, Mrs. Peter Argelan, Mrs. Hubert Hennrich and Mrs. John Fleming. The next party of the club will be with Mrs. Hennrich at 2604 Iowa street.

### Miss Linda Sperry And Wm. Koenig Wed On Campus

Mr. and Mrs. Ovid Sperry are announcing the marriage of their daughter, Miss Linda Sperry, to William Koenig, a son of Mr. and Mrs. Victor Koenig, 2538 Sheridan avenue. The ceremony took place Saturday in the Paul H. Linn Memorial Church on the campus of Central College, Fayette, Mo., where both young people are students. Attendees were Miss Betty Fulton and Dave Green, also students at the college. A buffet dinner at the Daniel Boone Hotel followed the ceremony. The newly-wedded pair will live in Fayette while continuing their studies. Attending the ceremony were the parents of the bride and groom, Mr. and Mrs. Clay P. Koenig, Mr. and Mrs. Paul Boner, brothers-in-law of the bridegroom, and Mr. and Mrs. Elmer Reinhardt and daughter, Sherry.

### St. John Evening Guild Sees Film

The Evening Guild of St. John United Church of Christ met Monday evening in the church fellowship hall for a program and Valentine party. Mrs. Bea Rittenhouse was in charge and devotions were given by Mrs. Georgia Surbey, assisted by Mrs. Rose Marie Bauer. Mrs. Mae Gottfried reported on the Social Action meeting held in Belleville recently, and Mrs. Kathleen Tadlock reviewed the new books on the required reading list for the coming season. Mrs. Wilma McQuinnay announced a collection to be made of good used clothing as a Christian Service project. A film entitled "The Heritage of Our Denomination" was shown by Mrs. Tadlock, Christian Education chairman, and all past presidents of the guild were introduced and presented with small gifts. Two birthday members, Mrs. Karmyn Wagner and Mrs. Opal Sipes, were honored and refreshments were served to 35, including two guests, Mrs. Ella Dinde and Mrs. Dorothy Schanuel.

Mrs. Marcia Buenger, Mrs. Wilma Willard, Mrs. Harriet Bunselmeyer and Mrs. Jessie Ogden made up the hospitality committee. Tables were decorated with red and white carnations, red hearts and valentine favors.

Photo by George Odum  
MRS. DONALD GRAY, a recent bride, before her marriage Saturday at Central Christian Church, 2020 Johnson road, she was Ellen Louise Jordan, a daughter of Mr. and Mrs. Warren Jordan of East St. Louis. The bridegroom's parents are Mr. and Mrs. Melvin Gray, 2639 Edwards street.

### Gideons And Auxiliary Meet

The Gideons and Auxiliary met Monday evening in the home of Mr. and Mrs. James L. Williams Jr., 129 Riviera drive. The hostess gave devotions, reading from the book "Jesus and His Disciples." On Feb. 16 the Auxiliary will present nurses Testaments to a 180 Beta Sigma Phi chapters within a 150-mile radius with headquarters at the Granite City YMCA.

### PLANNING SESSION FOR SORORITY CONVENTION

Representatives from the four local chapters of Beta Sigma Phi attended a meeting Monday evening at the Big Top Bowl to discuss plans for the coming Area Council convention to be held here April 8. The local chapters will host delegates from approximately 180 chapters within a 150-mile radius with headquarters at the Granite City YMCA.

**SUPPER, SCHOOL OF MISSIONS AT CHURCH**  
The first meeting of the School of Missions was held following a supper at the Central Christian Church Sunday evening.

A Mexican style supper was served by the ladies of the church in honor of the month's study of Latin American countries. Those serving were dressed in colorful costumes of Latin America. The fellowship hall, where the dinner was held, also was decorated in the same theme.

After the supper and fellowship singing, the film, "Little Man Stand Tall" was shown. The film portrayed the world of Protestant missionaries in Argentina and Paraguay. The Christian Youth Fellowship groups had charge of the evening worship service.

About 150 persons attended the supper and school, and Rev. James R. Craddock, minister of the church, announced that on each Sunday evening in February a "school of missions" will be held.

## Despite Deep Freeze Locks Traffic Reaches One Million Ton Mark

Tonnage for January through Chain of Rocks Canal Locks 27 reached the one-million mark despite area weather conditions. Ice on the river north of Granite City and south to Cairo, Ill., threatened to cut the traffic totals below that mark.

A report from the district Corps of Engineers office in St. Louis released today indicated that January freight traveling the canal and through the locks totaled 1,016,585 tons. It was the first time in 10 months that two million tons was not exceeded.

Because of the seasonal weather conditions, January was one of the few months that downstream traffic topped that going up the river. Commercial tonnage figures revealed 534,000 tons headed downstream and 481,585 went upstream.

**More A Year Ago**  
Of the total freight listed 1,015,960 tons were of a commercial nature and 625 tons were in

## Traffic Record At Local Locks

Traffic through the Chain of Rocks Canal Locks 27 reached an all-time one-day high Saturday according to a compilation made today by Marshall Gray, chief of the technical liaison branch of the St. Louis U.S. Army Engineer District.

Almost evenly divided between upstream and downstream totals, 192,600 tons passed through the local locks in the 24-hour period. The tonnage was hauled by 161 barges and 41 towboats that required 30 lockages. Upstream traffic totaled 101,100 tons and the remaining 91,500 tons went down the river.

The unseasonal warm weather last week was instrumental in the record amount of shipping as the ice began to break.

**Fire Hydrant Request**  
A request for installation of a fire hydrant at West Pontoon road and Briarcliff was made during Monday night's Granite City council session. The request by Alderman Ford Johnson was referred to committee.
